A NEW LITERARY SENSATION . . .**THE STICKIT MINISTER**

And Some Common Men.

BY

S. R. CROCKETT.

CLOTH, \$1.25.

OUR handsomely bound Canadian Copyright Edition of this brilliant production of a new pen is being taken up rapidly. In England the book has already passed into a fifth edition. It has earned a place among the "immortals" of our English literature, and placed its author in the very front rank of living writers. Robert Louis Stevenson enthusiastically commends it. Now sparkling with quiet, delicious humor, again tender with a pathos that sounds the very depths of the heart, it offers all the charms that win for a book not only the admiration but the affection of the reader.

You cannot afford to miss it. For sale by all Booksellers.
