

**PARAGRAPHIC.**

The N. Y. *Spirit of the Times* says the logical result of the elections is the renomination of President Arthur by the Republicans.

**An Afflicted Clergyman.**

The Rev. Wm. Stout, an English clergyman, of Warton, was for 23 years a terrible sufferer with Scrofulous Abscess, which the best medical skill failed to cure. The internal and external use of Burdock Blood Bitters cured him, and for nearly three years he remained hale and hearty.

The Dominion Parliament is summoned for the despatch of business on the 17th of January, about a month earlier than usual.

**After Twenty Years,**

A. Lough, of Alpena, Michigan, was afflicted for twenty years with dyspepsia and general debility. All treatment failed until he tried Burdock Blood Bitters, which gave him speedy and permanent relief.

Mrs. Alice Gardner, a distinguished Newnham student, has just been elected out of twenty candidates (men and women) to the professorship of history in Bedford College, London.

**He Speaks from Experience.**

R. N. Wheeler, of Everton, some six years ago was attacked with a severe form of inflammation of the lungs, leaving him with a severe cough. He speaks highly of Hagar's Pectoral Balsam, which cured him the complaint not having troubled him since.

Dr. Koch, the celebrated German biologist, has discovered the germ of cholera. It is a thread-like *bacillus* similar to that seen in phthisis.

**A Cure for Sore Throat.**

Mrs. Wm. Allen, of Acton, speaks highly of Hagar's Yellow Oil as a household remedy for colds, sore throat, stiff neck, croup, etc., as well as for burns, scalds, and other injuries of common occurrence in every family.

The Czar has decided to equip the Russian army with repeating rifles of the latest American pattern. He has ordered 200,000 of them through a London firm.

**A Good Reform.**

Children are not often tortured now-a-days with bitter aloes, brimstone, and Treacle, and the many nauseous remedies of the olden times Freeman's Worm Powders are pleasant to take, contain their own purgative, and safely and effectually remove all ordinary species of worms afflicting children or adults.

Lord Dufferin, the British Ambassador at Constantinople, and the American Legation have sent to the Porte identical notes remonstrating against the outrage recently committed by brigands in attacking an American caravan, and requesting that the offenders be arrested.

**A Difficulty Overcome.**

It is often very difficult to get children to take medicine, and especially Worm Remedies, which they often require. Dr. Low's Pleasant Worm Syrup is not only agreeable to take, but a safe and certain cure for all varieties of worms, including tape worms, that produce serious disturbance with children and adults.

**Montserrat Saline Effervescent Salt.**

This Preparation has all the properties of a cooling and purifying Saline. It is an elegant Pharmaceutical preparation, and at the same time a pure mixture of Acids and Salts, whilst, from its effervescence, it will be found to produce a certain and beneficial result.

**DIRECTIONS FOR USE.**—A teaspoonful, in a tumbler of water, forms a mild aperient, and an anti-fever draught. A small teaspoonful in a wine glass of water is a palatable cooling, and purifying draught. This latter dose taken before dinner is often likely to give an invigorating tone to the system.
