

NEWS AND NOTES.

In bygone times men thought it a good thing to "take time by the forelock." The revised edition says we should "take time by the bang."

Estey's Fragrant Philodermia is the only reliable and thoroughly harmless preparation in the market for the skin. For general use it is simply invaluable and far superior to Glycerine or any greasy compound. It is much better than Violet Powder for Chafing in Infants.

The first Lord of the Admiralty of England, Lord Northbrook, urges the necessity for an addition to the English navy of 250 torpedo boats.

To CONSUMPTIVES.—The production of a remedy that "may truly be said to so alter the prospects of the Consumptive as to give hope of cure in not a few cases, and of much prolonging of life in by far the greater number"—"the only remedy worthy of the name, which, if carefully and faithfully used may arrest and cure the disease, and it is pretty sure to retard it and prolong life more than any other known remedy," it is a great desideratum. Yet this desideratum is fully met in ROBINSON'S PHOSPHORIZED EMULSION OF COD LIVER OIL WITH LACTO-PHOSPHATE OF LIME, which is universally acknowledged wherever introduced, to be the best preparation of Cod Liver Oil extant, and which, if "carefully, faithfully" and persistently used, will rarely fail to produce marked beneficial results.

Prepared solely by Hanington Bros., Pharmaceutical Chemists, St. John, N.B. and for sale by all Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00

A company in the upper part of New Jersey is making counterpanes and pillow shams of paper, which retail at 75 cents a set.

SCOTT'S EMULSION OF PURE COD LIVER OIL, with Hypophosphites. Its use in Lung Troubles.—Dr. Hiram Cadoretto, of Jacksonville, Fla., says: "I have for the last ten months prescribed your Emulsion to patients suffering from lung troubles, and they seem to be greatly benefited by its use."

ONE HUNDRED AND THIRTEEN MILES OF ORGANS.—In numbering the organs of their manufacture, Mason & Hamlin have reached No. 150,000. Arranged in a line these would reach 113 miles, or would fence the railroad on one side from the Grand Central Station in New York to within twenty miles of Springfield, Mass. Not only does this show the great popularity of American organs, but it illustrates what was declared by James Parton to be a general fact, that he who makes the best article in his line always has the greatest success.

A factory at Stockton, Cal., is engaged in making coffee from chicory. It is raised near there. The crop brings at the rate of \$30 per acre.

We understand that the Mason & Hamlin Company's new Upright Piano is now commanding a large sale, and is, in every way, up to the standard of their unrivalled organs. We predict a large success for this piano, which is constructed on a new system, said to be a decided advance over the prevailing wrest-pin system.—Boston Journal.

Mrs. S. Silver, of Hansport, writes:—"My daughter had a severe cold and injured the spine so she could not walk, and suffered very much. I called in our family physician, he pronounced it inflammation of the spine and recommended Minard's Liniment to be used freely. 3 bottles cured her. I have used your Minard's Liniment for a broken breast, it cured the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from same severe trouble."

The Secretary of the Interior, in his report to the United States Government, states in three years more the public lands of that country open to the settlers will be all taken up. Then we may expect to see a rapid settling up of the great North-west.

It Matters Little

by what name we designate such complaints as Scrofula, Erysipelas, Salt Rheum, and all skin eruptions, their origin is in the blood, and by the use of no outward application can a cure be effected. The blood must be purified, and the stomach kept in a healthy condition. To do this use Hanington's Quinine Wine and Iron, and Tonic Dinner Pills. Beware of imitations. See that you get "Hanington's" the original and genuine. For sale by all druggists and general dealers in Canada.

A hint for a beautiful lamp shade is to be found in a New York studio. It is made of squares of silk painted in charming flower designs, with transparent washes, and sewed together with open insertion of lace. The effect under the light is lovely.

DON'T BE FOOLED.—When you require a worm expeller ask for Nelson's Cherokee Vermifuge, and take no other. Always reliable and pleasant to take.

The local legislature of New Brunswick is called to assemble on the 26th of February.

"When I first began writing stories my chief trouble was in finding villains. I was then young. Now my chief trouble is in finding good characters," says an eminent story writer.

PHOSPHOLEINE.

All who have used it join in praise of it, and herald the facts of their cures.

The Train Despatcher at Vanceboro, Writes;

M. R. Eager, Esq.:

Dear Sir,—My wife, Laura A. Finson, was taken sick early this year and suffered severely with a bad cough, accompanied by expectoration of mucus containing blood, and great weakness of the chest, general prostration and clammy night sweats, and continued to grow worse until I was recommended to procure for her some bottles of

Eager's Phospholeine

and WINE OF RENNET. This I did, and after using about five bottles of the PHOSPHOLEINE, taking a teaspoonful at a time in a wineglass of milk, increased afterwards to a tablespoonful, and shortly after each dose a teaspoonful of your WINE OF RENNET, she became thoroughly well, her improvement commencing after the first half bottle had been taken. She can now superintend her household duties without inconvenience, eats and sleeps well, and every symptom of consumption has vanished. I have to thank your medicine for her restoration to health.

WALTER R. FINSON, Vanceboro', Maine, U.S.

The statement of facts contained in the above certificate is in all respects accurate I feel assured that I owe my cure to your medicines.

LAURA A. FINSON.

For sale by all Druggists.
