MGR. SATOLLI'S ELEVATION.

Easter Day.

A Baltimore despatch says :- "What will doubtless be one of the most imposing church ceremonies ever seen in the United States will take place at the Cathedral on Sunday, January 5, upon the occasion of the elevation to the Cardinalate of Mgr. Francis Satolli, Papal Ablegate in America. It was intended that Mgr. Satolli should don the purple on December 15, but a postponement has been necessary as a result of advices from Rome. Marquis Sacripanti, the noble guard bearing the Zeuchetto to the future Cardinal, was delayed in his departure from Rome until December 16. The date of Mgr. Satolli's elevation was, therefore, postponed and the first Sunday in the new year selected instead.

MAt the ceremony the United States Government will be represented by a member of the President's Cabinet, the State by Gov. Frank Brown, and the city by Mayor Hooper, to each of whom special invitations have been extended. Visiting prelates, it is thought, will include a representative from nearly every See in the United States and possibly some dignitaries from Canada and Mexico.

The Quabes Carmival.

Mr. Eric Dorion, the secretary of the committee, wired to Mr. Frank Carrel, who was in this city last week, that the programmes have all been peinted, the colored hangers have been received and distributed, and that money is coming in repidly. In fact, all the indications point to an unprecedented success; Quebecers are more cuthusiastic than over before over the matter.
