**Caution!**—Cheap Books called "Webster's Big Dictionary," "Webster's Encyclopedic Dictionary," etc., are being advertised. The body of these from A to Z, is printed from plates made by photographing the antiquated 1847 edition. The Authentic Webster's Unabridged Dictionary, comprising the issues of 1864, '79, and '84, still copyrighted, is now thoroughly Revised and enlarged, under the supervision of Noah Porter, D. D., LL. D., of Yale University, and as a distinguishing title, bears the name **WEBSTER'S International Dictionary.** Editorial work on this revision has been in active progress for over Ten Years, not less than One Hundred paid editorial laborers having been engaged upon it, and not less than \$300,000 having been expended before the first copy was printed.
