Teenagers find it relatively easy to obtain part-time work.

Detroit

Reciprocal Employment Agreement: Yes
Approximate number of spouses working as locally engaged staff: 1
Community Coordinator contract work exists: Yes
Registered Nurse position exists at the mission: No

Detroit's proximity to Windsor offers the possibility of employment in Canada. However, a Canadian diplomatic passport may not be used for daily crossings of the border. Employment opportunities in Windsor have been very limited in the past few years.

Los Angeles

Reciprocal Employment Agreement: Yes
Approximate number of spouses working as locally engaged staff: 0
Community Coordinator contract work exists: Yes
Registered Nurse position exists at the mission: No

In a city of ten million people, there are no obstacles to finding employment, subject to the usual criteria one would encounter in seeking employment in Canada. It should be borne in mind, however, that with the high awareness of the undocumented immigration issue, there may be some initial reluctance on the part of potential employers to engage spouses in the absence of a clear statement of eligibility.

Minneapolis

Reciprocal Employment Agreement: Yes
Approximate number of spouses working as locally engaged staff: 0
Community Coordinator contract work exists: Yes
Registered Nurse position exists at the mission: No

There has been little delay in gaining approval for employment. There are ample employment opportunities, especially for dependant children in fast food and sales.

New York (Consulate and UN)
