

ARTICLE IV

- (1) Nuclear material, material, equipment and technology identified in Annex A shall be subject to this Agreement unless otherwise agreed by the Parties.
- (2) Items other than those covered by paragraph (1) of this Article shall be subject to this Agreement when the Parties have so agreed in writing.
- (3) Each Party shall provide written notification to the other Party, prior to the transfer, whether direct or through third parties, between Canada and Slovenia of nuclear material, material, equipment and technology.
- (4) The appropriate governmental authorities shall establish notification and other administrative procedures in order to implement the provisions of this Article.

ARTICLE V

Prior to the transfer of any nuclear material, material, equipment or technology subject to this Agreement beyond the jurisdiction of a Party to this Agreement to a third party, the written consent of the other Party shall be obtained. An agreement to facilitate the implementation of this provision may be established by the Parties.

ARTICLE VI

Prior to the enrichment of any nuclear material subject to this Agreement to twenty (20) percent or more in the isotope U 235 or to the reprocessing of any nuclear material subject to this Agreement, written agreement of both Parties shall be obtained. Such consent shall describe the conditions under which the resultant plutonium or uranium enriched to twenty (20) percent or more may be stored and used. An agreement to facilitate the implementation of this provision may be established by the Parties.
