This Telephone Directory produced by the Department of Foreign Affairs and International Trade includes personnel at headquarters. It was generated from the Department's electronic Data Warehouse, which reflects information entered by each individual. It is also available electronically to departmental staff on our Intranet site. A less detailed version is available to the public via the Internet at [www.dfait.maeci.gc.ca](http://www.dfait.maeci.gc.ca)

The letter code (S) in the listing of the Directory indicates secure communications is available.

This publication is also available in French.
