Inquiries of Ministry—On Wednesday next

*No. 1,446—*Mr. Howard*—February 4

1. Since January 1, 1960, has any property been purchased for a post office at Manotick, Ontario, and, if so, what was (a) the date of the purchase (b) the acreage involved (c) the name and address of the person from whom the property was purchased (d) the purchase price and (e) the method by which the purchase price was agreed upon?

2. Were any recommendations made by the Village of Manotick regarding other locations for the post office, and, if so, what consideration, if any, was given to these recommendations?

3. Were any other locations considered by the government and, if so (a) what were these other locations and (b) what value or price was attached to each such location?

4. Has the government any knowledge of the value of comparable pieces and areas of property at Manotick and, if so, what are the details of this knowledge?

5. Has the government any knowledge of the length of time which the person referred to in part (c) of paragraph 1 was in possession of the property and the price which he originally paid for it and, if so, what are the details of this knowledge?

6. Does the government own or have control over, rights-of-way or other means of access to the post office and, if so, what are the names, lengths, widths, directions, and other details relating to any streets or roads comprising such, and how far is the terminus thereof from the old Highway 16 or the Main Street of Manotick?

7. Does the government have any plans to procure a more direct route from the terminus of its present rights-of-way as referred to in part 6 hereof and the old Highway 16 and, if so, what are these plans?

*No. 1,447—*Mr. Herridge*—February 4

Has the Minister of Northern Affairs and National Resources, or any officials of his department, received any representations from any organizations or persons in Canada with respect to the fear that United States Air Force practice bombing may be endangering the lives of the world's few remaining whooping cranes and, if so, what was the response to these representations?

*No. 1,448—*Mr. Herridge*—February 4

Has the film *The Deadly Dilemma*, produced by the National Film Board, which deals with the danger of indiscriminate spraying with insecticides, been withdrawn by the Board, as the result of complaints from the representatives of the manufacturers of insecticides?
