Dear Dr. Martin,

I am acknowledging to-day Mr. C.W. Lindsay's second contribution of \$500.00 (on the \$1000 he promised us) for the Cancer Clinic and have told him that I would ask you to send him a short report on the work under Doctors Gruner and McEuen. Will you do this? I think it is as well to keep up his interest in the Clinic.

Ever yours faithfully,

Principal
