

THE MONTREAL GENERAL HOSPITAL

20 DORCHESTER STREET, EAST

ADDRESS ALL COMMUNICATIONS TO THE
HOSPITAL
NOT TO INDIVIDUALS

Montreal Aug. 14th. 1922.

-2-

The Clientele extends from babies in arms to children twelve years of age.

The Pediatrician is also called upon to supervise the feeding, and attend all medical ailments of children admitted to the hospital in departments other than his own.

The service of this department is continuous and carries with it a seat on the Medical Board.

Assistants in the department are nominated by the chief of the service and approved by the Medical Board.

All clinical material both in-door and out-door forms part of the teaching material of the University.

Yours faithfully,

SECRETARY MEDICAL BOARD.
