

PROF. FLINT'S HORSE AND CATTLE RENOVATING POWDERS.

Having thoroughly tested the virtues of the above named powders and found them to be the most remarkable and valuable powders we have ever known to be used for horses or cattle, we have completed arrangements whereby we are enabled to furnish these powders to our patrons throughout the United States, having secured the **SOLE AGENCY** for the United States and Canada.

AS A BLOOD PURIFIER these powders have *no equal* to our knowledge for any disease or bad condition caused by impure blood. Every man knows, or should know, that thousands of horses are sick or in **BAD CONDITION**, as their owners say, simply because their blood is impure, which is caused by the horse being kept in a barn where the atmosphere is foul, or by being fed on improper food. We have no hesitancy in saying that **PROF. FLINT'S RENOVATING POWDERS** are the *very best remedy known* (in our opinion) for any ill condition or sickness caused by impure blood, which may be known by the horse looking poor, being dull, coat being rough and not looking thrifty, hide bound, legs swelling, etc. We never knew it to fail, (in any case of ill condition as described above, after one or two pounds had been given to a horse according to directions), but what the horse would fat up in a very short time, and act entirely different, really making him a new horse.

FOR COUGHS. We have always found it a perfect cure for every kind of a cough, whether of short duration or of long standing; if given until one to three pounds had been used for cases of long standing. Also, a perfect cure for epizootic.

HEAVES. We never have had occasion to use any remedy for this disease ourselves, but several parties have reported to us that they have cured cases of heaves with **PROF. FLINT'S RENOVATING POWDERS**, and we believe them to be excellent for this disease.

We can send these powders by mail, *postage prepaid, for 75 cts.*, for a large package weighing about one pound, or five packages for \$3. Address all orders to

KENDALL'S BLISTER.

We wish to have it understood that "**KENDALL'S BLISTER**" is entirely different from "**Kendall's Spavin Cure**," as the latter does not blister.

"**Kendall's Blister**" is an excellent remedy for spavins, (especially blood or bog spavins), ring-bone, splint, or any similar difficulty. In all bad cases of long standing we think they can be more successfully treated by the use of "**KENDALL'S BLISTER**," in connection with "**KENDALL'S SPAVIN CURE**," (as directed on labels,) than by any other remedies in use, as many cases which will not yield to any other remedies, or to either of these alone, will soon yield to the use of our Blister, followed up by the use of our **SPAVIN CURE**, as directed.

Besides our Blister being a complete remedy when used with the **Spavin Cure**, we think it is well adapted to all cases where any blister would be applicable.

This Blister is not like many, so powerful as to destroy the skin and other tissues, yet it is very effective, and we believe the very best preparation, of its kind, which is now in use.

Although this Blister was first designed to be used with the **Spavin Cure**, we have learned that it works admirably alone, in many cases, and where parties live at a distance, and can not find the **Spavin Cure** at their stores, they can easily obtain our Blister by forwarding us the price, (\$1.00), and we will send, by return mail, to any address.

Our **BLISTER** is put up in tin boxes and can be sent by mail with perfect safety to any part of the world.
