That interest is by no means subsiding for the Victory Loan was shown by the thousands who assembled on University avenue yesterday afternoon at 3 o clock, when speakers of different denominations occupied pulpits and for life insurance was turned into at 3 o clock, when speakers of different denominations occupied pulpits and for life insurance was turned into gave brief but earnest addresses in the head office of the Sun Life by its

gave brief but earnest addresses in support of Canada's big loan.

The weather was not too inviting, being somewhat colder than that usually chosen for outdoor services, and at times the clouds looked as if they might portend raim or even snow, but Torontonians were not to be deterred by weather forebodings, especially when they had a matter in hand as the head office of the Sun Life by its representatives in Western Ontario last month, with headquarters in Toronto.

For the ten months of the year a record was established with eight and a quarter millions, all of which is paid for.

The million dollars' worth of business was secured during October by the Sun Life's representatives in Western Ontario last month, with headquarters in Toronto.

For the ten months of the year a quarter millions, all of which is paid for. important as the call of patriotism. The open-air service was planned and carried out with military precision and environment. Every pulpit ness were also reported from other divisions, but Western Ontario leads. blue," and from a staff flew the flag that for a thousand years has dared the battle and the breeze." Bands of men in khaki were stationed at intervals along the route, and Special to The Toronto World. they not only accompanied the hymns but gave the signal for simultaneous singing of the different numbers, the blast of a bugic coming floating to the conference for Norfolk and Brant conference for blast of a bugle coming floating to the cars of those assembled, inviting all to Join. At 3 o'clock the first bugle officers elected were. Grand pretor, E. note was sounded, followed by the Goodgreenaway, Brantford; grand deputy pretor, Merton Syver, St. playing of the National Anthem. Five puty pretor, Merton Syver, St. minutes later the bugle again was George; grand scriptor, Harry Richheard, and then the bands joined in ards, Brantford; grand complor, H. the music of "Oh, God, our help in Standing, Brantford. the music of "Oh, God, our help in ages past." After this came the appeal for the Victory Loan, every speaker having the same text: "Help the loan. Money is still needed to bring the men back, to re-establish them in civil life, to help the development of Canada, to finish the work of the war generally." The loud voice of Lieut-Col. George H. Williams was heard in the appeal and the convince. heard in the appeal, and the convinc-ing climax: "We can't do it unless we back them up with money." Rev. W. L. Baynes-Reed told of the things the boys had done overseas, and of the work of the women at home for the comfort of the men abroad. Dr. John Neill, in closing his request for assistance to the work in hand, urged Canadians to live in unity, so that all coming to those shores might have one land, one King, one God, and one law. Rev. Father Ryder, after depicting the claim of Victory Loan, asked the people about to join in the best of prayers—the Lord's Prayer.

List of Speakers. Again the call of a bugle announc ing the singing of "Onward Christian Soldiers," and then the closing strains of the National Anthem, during the playing of which hats were lifted and people stood quietly at rest, the often-repeated air seeming to have a special significance on this occasion. special significance on this occasion. The speakers on the program were: Anglican, Rev. W. L. Baynes-Reed; Baptist, Rev. W. A. Cameron; Congregational, Dr. W. G. Millar; Disciples of Christ, Rev. H. B. Kilgour; Hebrew, Ralbi S. Jacobs; Methodist, Lieut.-Col. Geo. H. Williams; Presbyterian, Dr. John Neill; Catholic, Rev. T. F. Ryder; Salvation Army, Col. J. Williams.

Williams. Toronto added nearly \$3,000,000 to its Victory Loan total on Saturday, but has nearly \$20,000,000 during the present week if the city is to go over its objective of \$90,000,000. The special subscriptions committee are well over their objective, but the canvassing teams have a long way to go be-fore they achieve their goal of \$40,-000,000 and bring to Toronto the honor flag. The greatest enthusiasm prevalis, however, among the teams. They took advantage of their relief from the work in the down town sections on Saturday by invading residential districts with splendid results. The great gathering in Queen's Park was also productive of a very liberal subscription to the loan and the workers will be enabled to report splendid progress at the meeting at

The coming week, the closing one of the campaign, promises to be one of the most active of the drive to date in Toronto, and the most interesting,

spectacular program arranged for each day.
