Secretary Crow's Letter

Secretary Crow's Letter.

N. H. Crow, secretary-treasurer of the Canadian Amateur Athletic Union, has sent the following letter to Captain John J. Dixon, secretary of the Amateur Athletic Union of the United States. The communication appeared in the New York papers on Tuesday:

As a result of a mail vote taken some time ago this union controls directly all amateur skaters in Canada. Canadian championships will be held in Toronto on Feb. 2. The old Canadian Skating Association that has broken away from this union is advertising Canadian championships at Montreal on the same day, and notwithstanding the warning of Mr. Sullivan to their secretary, Mr. Clarke, the National Skating Association of the United States seems to be recognizing the old Canadian Association of skaters. Of course the skating in Montreal will be unsanctioned, and every man who competes in it will be suspended.

Will you kindly speak to Mr. Clarke of the skating association and tell him of this dauger to his skaters?
