

Handsome
We had made specially for us a number of Sailor Suits, from the light colors of the Hewson Tweeds and we must confess they have turned out "Handsome." One of the best features about them is the fact that they can be washed and pressed up without any injury to the material. Prices \$5.00, \$6.00 and \$6.50.

LICENSE ENQUIRY.
To-Morrow's Session May Bring Forth Some Speculation Evidence.
Some sensational evidence is expected to emerge when the license inquiry resumes.

Some sensational evidence is expected to emerge when the license inquiry resumes. Commissioner Starr says that in view of the information that has come before him it will be well on into the next week before the inquiry can close.

It is said that Hynes will be called again to explain how he came to have dealings over the transfer of a license for 54-58 York-street, when none had been granted to him.

Chief Inspector Purvis will be examined tomorrow or Saturday by the committee. Mr. Starr favors the handling over of the license work to the police commissioners.

HAMILTON HAPPENINGS

"CLEAN-UP" CAMPAIGN IN HAMILTON NOT YET OVER

Members of Citizens League Admit they're Responsible and Will Keep at it.

Hamilton, Feb. 27.—(Special).—The members of the Citizens League have owned up to being at the bottom of the clean-up campaign inaugurated by the police early last Sunday morning.

When they wipe out the gambling dens and hand books, they will make a start on the other forms of vice.

The officers of the league are: President, Sir Thomas Taylor, vice-presidents, George Rutherford and Alfred Powis; treasurer, J. J. Greene.

Many of the wealthy and most influential men of the city belong to it, and they say they are going to make a general clean up.

This afternoon they waited upon the license commissioners and complained that gambling was prevalent in the hotels.

They gave day and date for all their charges and insisted that a stop be put to it.

The league complained to Chief Smith about the alleged gambling dens last October. They gave him a list of the places and evidence to substantiate their charges.

When the chief neglected to act, the Rev. J. K. Unsworth, one of the members of the league, preached a sermon condemning the police a week ago last Sunday.

Last Sunday the chief got busy. It is understood that the attorney-general's department supplied detectives to gather the evidence, but both the authorities and the league are silent on that point.

A general meeting of the league has been called for Friday evening, when plans for fighting with other evils will be discussed.

Cab Tariff To Be Boosted.
The police commissioners had a special session on the subject this afternoon. The cabmen, represented by former Mayor Biggar, asked the commissioners to divide the city into the following three districts, with these charges: District No. 1, G. T. R. main line or the north, Locke-street on the west, Wentworth-street on the east, and the mountain on the south, 50 cents for one or two passengers, with 25 cents added for each additional passenger.

District No. 2, west of Locke-street, north of the G. T. R. and east of Wentworth-street, as far as Sherbourne, 75 cents, with 25 cents for each additional passenger.

District No. 3, the annex and west of Garth-street, \$1, with 25 cents added for each additional passenger.

For night rates the cabmen do not want and addition made in No. 1 district, but they want 25 cents added for No. 2 and 50 cents in No. 3 district.

The commissioners will give their decision later.

Maceless in Convention.
The first district convention of the Maceless was held to-day, with about fifty delegates present.

The banquet was held this evening in the arcade. The toast list was as follows: "Canada," proposed, Lady Elizabeth Hyndman, Brantford; response, Sir Knight C. B. Wright, Brantford; W. J. McClelland, past prov. com.

"The Ladies," proposed, Sir Knight G. H. Linker, responses, Sir Knight C. H. Fry, W. M. Grant, Galt; G. H. Towns, past prov. R.K., Smithville.
