New York, Nov. 5 .- The London corres. ondent of The Tribune, cabling as to the robable plan of campaign to be adopted by Gen. Buller, says:

"Gen. Buller's plan of campaign is a secret which is not known even at the War Office and it certainly has not been onfided to any war correspondent. He received full advance suggestions from Lord Wolseley and Sir Evelyn Wood before leaving London, but retained absolute liperty of action, as was befitting the commander of the forces in South Africa, which has been the grave of so many re putations, military and civil.

Surmises Only. "The military experts here can only hazard surmises respecting his probable course and tactics in dealing with the situation. Now that he has mastered the details on the ground, they begin by assuming that he vill take warning from what has happend d in Natal and not allow the colonial au-horities to influence his action.
