PRINCE ALBERT DIVISION MEN OUT **DECLARES PRESIDENT WILSON**

Difference Between Chief of Trackmen and Italian Labor Inspector the Only New Matter in the Strike Situation-Mr. Brady Contradicted by Mr. Lowe.

MR, MeNICOLL'S OPINION.

The strike on the C.P.R. was unchanged on Saturday.

The strikers adhere firmly to the statement that the company is handleapped by the lack of men to a far greater extent than the public think.

Mr. A. B. Lowe, one of the strike committee proad the following statement to the strike or and the following statement to the strike or of the strike order. They had simply wished to better their condition and had since joined the brotherhood and struck with them for a fair agreement with the company. No confirmation of any such report had been received by the railway people.

mittee, read the following statement to The Sunday World:

I was in Chatham on July 11. and found this to be the state of the tion, which had been delayed to some ex-Foreman at Chatham had one man, tent owing to the trackmen's strike. Mr.

foreman had no man, the next toreman had no man, and the next, at Tillus work their places and sheen illust and the next, at Tillus work their places and sheen illust and the next foreman, an ewe comer. The Chatham foreman, to help him watch his one man, had the next foreman was brought in ext foreman, and for fear ne might need help, the next foreman were watching one man. Then to make sure held his duty, a roadmaster came who were the last to go out." Said Mr. McNicola and to gatch it must be that they have detectives by the score. To make the count from Chatham west to Tilbury, about 20 miles, there was not a single man on the track."

DIFFICULTY ARISES.

Montreal, July 13.—(Special.)—The only development of importance that has cropped up since yesteriate, with yeard in the other was not a single man of the trackment's strike on the C.P.R. lines, is the difficulty between Mr. Wilson, president to the trackment's strike on the C.P.R. lines, is the difficulty between Mr. Wilson, president the big crop promised."

Not Degrading Labor.

Mr. Antony Cordask has been sending gangs of men, out along the lines and callus that along the lines and claims that are gone to work are degrading labor, as is claimed by the Grievance Committee, or are worked and a strike on the the count of the count of

A WARNING TO INFRINGERS. The Caledonia Water Case.

As the result of a century's toff and large xpenditure in advertising. The Grand Hotel Co., Limited, of Caledonia Springs, for its famous waters, the sale now exeding the equivalent of over six thou sand bottles dally in the Dominion alone. It is procurable at every hotel and club and from every dealer of repute in the land; this ready sale has tempted some unprincipled bottlers to put on the market waters not obtained from the famous springs, and to make use of the name for the profit to be obtained from it. The usual misrepresentation is practised to foist these fraudulent substitutes on an unsuspecting nublic.

and Will Traverse the Ocean and Inland Lakes.

Cleveland, Ohio, July 14.—The Leader has the following:

"Owing to certain expansions of the putting up or handling so-called "Cale-days" on the watch for others who may be putting up or handling so-called "Cale-days" waters it has in the case of Tune days.

River Railroad by the Baltimore & Ohlo was a part of this scheme, and perfected in a way the control of the soft coal carry-ing facilities for certain parts of Ohlo, and the Pittsburg district. The same interests now control, with the assistance of the Morgan holdings, all of the coal-carrying properties in this territory that ship coal to the lakes or to the last. A feet of ocean-going and lake vessels is to be collected under the guidance of the bfg combination, which will be strictly trust boats. It is evident that more of an endeavor is to be made to sell the Pittsburg and West Virginia steam coals abroad than to put them into compession of the same company from Illinois and West virginia steam of bituminous coal has been the lack of dock facilities for handling the big boats which heretofore have engaged in the coal-carr, ing trade. It is the announced line of the part of the plaintiffs, which is familiarized by this particular water from the Caledonia Springs' means mineral water supplied by the plaintiffs, which has been many grears on the market and widely used as a medicinal water and as a beverage. The use by the defendants of the words 'Caledonia Water' or 'Water from Caledonia Springs' is calculated to mislead and have been used so as to mislead purchasers. 'One of the defendants, Lyaff, admits that his object in calling his product 'Caledonia Water' was to sell as Caledonia Water in the established market, i.e. to avail himself of the benefits of the same company from Illinois and West-rim the name on the part of the plaintiffs, which is familiarized by this particular water from the Caledonia Springs, owned by the plaintiff s ambiguous or open to the disadvantage of duplicity, that is, it fits the plaintiff is ambiguous or open to the disadvantage of duplicity, that is, it fits the plaintiff is ambiguous or open to the disadvantage of duplicity, that is, it fits the plaintiff is ambiguous or open to the disadvantage of duplicity, that is, it fits the plaintiff is ambiguous or open to the disadvant
