Efforts to Explain His Order to Sur-

But General Buller could not keep the silence that he, above all, should have known was necessary in his case, and so, a week ago last Thursday, he amazed Britain at a luncheon at Westminster, by 10t only defying and challenging The Times, which had said he was not fit to command the first army corps, but by admitting that after his ignominious defeat at Colenso he had suggested to Sir George White that he surrender Ladysmith, destroying all stores and escaping with the garrison as best he could.

General Buller should serve two years more before retirement on half pay, according to army usage, and his relief from duty at this time is actually and employed that amounts. phatically a telling rebuke, that amounts practically to a disgrace for him. He is virtually an outcast so far as his connection with the British army is concerned.

This is Dr. Pitcher's new scientific remedy for all diseases and disorders arising from a debilitated condition of the nervous system, watery or impure blood and impaired or imperfect action of the heart.

These Tonic Tablets give richness and redness to the blood, act as a food to worn-out nerve cells, imparting to the nerve centres electric energy and vitality. They correct all irregularities of the heart beat and tone and strengthen the heart muscle.

In short they build up and energize all worn-out and devitalized tissues and animate and invigorate every organ of the body.

On account of the unbounded success of Dr. Pitcher's Tonic Tablets in so many serious and difficult cases we have no hesitancy in proclaiming them an absolute cure for the following diseases and symptoms of Female Weakness.
