At a signal the machine is released, and, as the announcer put it, "at a speed faster than the fastest locomotive," it descends the incline, strikes the upshoot, and rises to a height of 40 feet, when a scientific arrangement of weights, causes it to turn a complete front somersault and alight on a platform of springs and large cushions. Faces that would make an old thief-hunter shudder, devilish eyes popping out of death heads, craniums so deformed we would declare them exaggerations if met with in medical books. They walked along like wolves, slouched like guerillas. 'The infantry of the Camorra,' said the chief of police to me, adding "God save Naples if these scoundrels ever take it into their heads to be masters here."

The name of the new head of the Camorra is not yet known. Among the several candidates a number of duels have been fought recently. In one of them a chief cut-throat was knifed to death; again another candidate bested his antagonist by suddenly pulling a gun on him after he had agreed that stilettos were to be the only weapons. No one is punished for these doings. The duelists simply save labor to the hangman.

In bidding farewell to his congregation recently the Rev. E. H. Hobday, pastor of Gray's Baptist Chapel (London), said there were those who were ever ready to find a blot on a minister's escutcheon, and he called on God to witness that if he had 50 ons he would not send one of th

Bowel Troubles

Liver pills, cathartics, mineral waters, often make Constipation worse. They merely irritate the bowels and force them to move-stop taking purgatives and the bowele become "tight" again.

"Fruit-a-tibes" are the one certain cure for Constipation

because their action is upon the liver, "Fruit-a-tives" are a liver tonic. They stimulate the secretions of bile by the liver, this bile causes the bowels to move in the natural, regular way and completely cures Constipation.

"Fruit-a-tives are fruit juices with tonics and antiseptics added. In "Fruit-a-tives" one atom of bitter replaces one atom of sweet in the fruit juices, forming a new compound which is many times more active, medicinally, than the fruit juices could possibly be. 50c. a-box - \$2.50 for 6 boxes.
