FOR C.P.R. MANAGERSHIP

G. A. Coates Succeeds C. W. Macdonald in Commercial Office.

The promotion of G. A. Coates to the position of manager of the local C. P. R. commercial telegraph office in succession to C. W. Macdonald, who has gone to Montreal, is a commendable recognition of industry and application. Mr. Coates has been night wire chief in this city for nine years and has been connected with the office for twelve years. He has "grown up" with the system, so to speak, and the patrons of the company can be assured of efficient service under his direction.
