FLIES AND BEDBUGS

Are bad this hot weather. Don't let them drive you or your animals wild. We keep all remedies for them, and for roaches, ants, etc. Also after all your hard work, don't let the bugs and worms eat up your garden, or the aphis suck the life of your roses, sweet peas, etc. We carry in stock a more complete line of in-secticides spraying materials, sprayers, blowers, etc., than any other house in Canada. Get our insecticide and spraying catalogue; also our spraying calendar, which tells you how, what and when to spray. Phone us, we can tell you what best to do.
