OUTBREAK OF SMALLPOX CLOSES HIGH SCHOOL

Markham Trustees Shut Down for Two Weeks—News Notes From County.

MARKHAM VILLAGE, Nov. 20.—(Special)—An outbreak of smallpox among the third form pupils of the Markham High School has led to the closing for two weeks of this big educational institution. The first pupil to take ill was James Connolly of Box Grove, who was subsequently seen by Dr. McDonald of this village. At that time the symptoms did not indicate the presence of smallpox, and as the youth was not seriously ill, and a fact appeared to be getting better, Dr. McDonald was not called in again for ten days, when he at once diagnosed the case as smallpox.

The fact that a number of pupils were absent from school aroused the suspicions of the trustees and the board of health in the different municipalities in which the pupils lived were advised to keep a sharp watch out, which was done, with the result that four others in widely scattered districts are affected with the disease. So far as learned they are Merion Toole of Mt. Albert, W. Jackson and Louis Phipps of Mt. Joy, and Bessie McMullan of Woodville. Another pupil, Nettie James of Whitevale, is ill, but the disease has not as yet been definitely diagnosed as smallpox.

Dr. Trunpou, medical health officer of Markham Township, has placed all the houses in his jurisdiction under strict quarantine, while it is presumed the other officers in the outside municipalities have taken similar action.

NORTH TORONTO.
Odds and Ends of News Around the North End.

NORTH TORONTO, Nov. 20.—It is expected that the deal will close in a day or two, whereby the Elmwood Bros. will become owners of the Humberton property at Bedford Park. This would make a good location for a manufacturing plant, as a strong water-power would be at their disposal.

Rev. Mr. Kellogg, returned missionary from India, will preach at the Deer Park Presbyterian Church on Sunday.

At the Epworth League meeting of the Eglington Methodist Church next Monday the pastor, Rev. Mr. Wellwood, will read a paper on "Humors of Early Methodism."

The public meeting to be held in the town hall to-morrow evening at eight o'clock, under the auspices of the Ratepayers' Association, promises to be a lively one. Everybody welcome.
