Troops and Packs of City To Assemble In Armory

CHURCH PARADE ON MAY 9 LIKELY

Boys Help Feed Birds—Events of Meetings of Week

Scouting enjoyed good events last week, including the opening of the Rovers' den at headquarters, the first of its kind in Saint John.

Next week's big event will be inspection at the Armory next Tuesday, when all the troops and packs will gather for annual inspection by Dr. G. B. Peat, district commissioner. The inspection will commence at 7.30 p. m. and is in preparation for the annual church parade, which is hoped to be held on May 9th.

**FAIRVILLE BAPTIST TROOP.** The Fairville Baptist Troop met on Friday night. Four of the fellows are making rapid progress with the second class tests, and six hope to be in full uniform by the middle of May. They are also anxious to go to camp, and funds are being raised. The S. M. has organized the P. L.'s and Seconds into a special Study Patrol on first class work while practicing second class tests.

**ST. JAMES' PACK.** Sixteen Cubs were present at last Tuesday's meeting. The pack was shown some of the first star exercises. Preparations were made for inspection at the Armory next week. One more boy joined our waiting list.

## STREET CAR ON RAMPAGE WRECKS STORE

A one-man street car in Dallas, Tex., jumped the tracks and went on a rampage, crashing into the front of this furniture store and bringing so much wreckage down about it that it was two hours before it could be freed. The one-man crew, Everett Harrison, the car's only occupant, was unhurt.

The Tawnees are still leading in the inter-six competition. On Wednesday evening a court of honor, it was decided to have six patrols in place of the former five. Other important business was the voting on four applications for admission into the troop. At the troop meeting everything went well. At the inspection No. 6, the newly formed patrol, won five points for being the greatest patrol of the evening. The Council Circle program was the best yet. It included a talk on "A Scout's Honor is to be Trusted," by the S. M., and an interesting discussion on the large number of birds which are around our grounds at the Boys' Industrial Home. We are glad of the opportunity to be of assistance to the birds, and are looking after over 200 which are seeking shelter around our buildings. Preparations were made for our troop to take part in the inspection at the Armory. We are looking forward to the church parade of May 9. Patrol leaders are being given responsibility in our troop and we feel sure that they will come up to scratch.

Crow and Beavers were the winners by 10 points each, this bringing the Crows well into the lead for the competition trophy for the month. Assistant District Commissioner F. Choppin, presented the troop charter and accompanying card to the S. M. and troop committee per Robert Murray, the committee chairman. A duet was given by the Carby brothers, followed by piano solos and Scouts Ron. Cauton and Norman Leadlaw gave a humorous recitation. Cubmaster Peatman and Cub Bonnell accompanied with banjo and ukulele respectively. Mr. Choppin led the troop in the singing of Scout songs and a final round of singing was led by the S. M. Victor, Mr. and Mrs. Doyle and Miss Doyle were heartily welcomed. At the close of the meeting the A. D. C. spoke on "Our Birds" and explained the necessity of Scouts helping to feed them.

## SOUNDING OUT TRADES UNIONS FOR SUPPORT

Emergency Meeting of Executives Called For Wednesday

GOV'T ALSO MOVES

Premier and Leaders Devote Utmost Energies To Avert Strike

By HERBERT BAILEY  
British United Press

LONDON, April 24.—The miners are fighting desperately to secure labor solidarity in support of their case. From one end of the country to the other representatives of the mining leaders are sounding out other trades unions to see what action, if any, they will take if the men decide to fight it.

For this purpose an emergency meeting is being called of the miners' delegates in London for next Wednesday and a meeting of the executives of all unions affiliated with the trades union congress is being summoned for the day following. Everywhere today the swift dramatic movements of the last thirty-six hours are regarded with the gravest alarm and it is feared in some quarters that if Premier Baldwin fails to find a basis of settlement Britain will be hurled swiftly into the throes of a gigantic industrial upheaval that will startle the entire world.

**POSSIBLE SOLUTION.** It seems likely that a possible solution may be found through the gov-

ernment granting a loan to the industry providing that the entire industry is overhauled, unprofitable pits closed and interest on this loan paid in three equal shares by the government, the owners and the miners, the latter share being in the form of reduced wages. Whether or not the miners will accept such a settlement is not known.

British Government leaders headed by Premier Stanley Baldwin, are also devoting their utmost energies against a nation-wide coal strike next Saturday.

"You have tied yourselves in a knot," said Premier Baldwin in an address to a joint meeting of miner representatives and operators.

"It is my job to untie the knot or cut it. We are working under a time limit which ends May first and time is valuable. Let us get down to business at once, for it will be easier to settle the impending trouble now than after the strike is called."

**PLAN SERVICE TO HONOR "YPRES DAY"**

Carleton Branch, G. W. V. A. to Attend St. George's Church Tomorrow

Carleton branch of the G. W. V. A. will attend divine service in St. George's church, West Saint John, on Sunday at 11 o'clock in commemoration of Ypres Day. Rev. John Unsworth, chaplain of the branch, will conduct the service. The parade will fall in at 10.30 a. m. in front of the Carleton Curling Rink and will march out at 10.30 sharp. Carleton Cornet Band will be in attendance and escort the parade to and from the church. The line of march will be down Rodney street to Union, along Union to King street and up King to Watson street. All ex-service men on the West Side are cordially invited. Transportation will be provided for all the patients of the Lancaster Military Hospital who wish to attend.

Invitations have been extended to the Women's Service League, Braggwick and Windsor chapters, I. O. D. E., the Premier, the Mayor and council, county councillors, the patients and staff of the Lancaster Military Hospital, president and officers of Saint John branch of the G. W. V. A., and president and officials of the Carleton Curling Club.
