Toronto, Sept. 8—Dr. F. B. Banting of this city, is the discoverer of the Insulin extract for the treatment of diabetis, according to Prof. J. J. R. MacLeod, head of the Physiological Department of the University of Toronto, in an interview here yesterday. Prof. MacLeod declined to accept the credit himself for the discovery, and and said Sir William Bayliss was in error in a letter he wrote to the London Times crediting Prof. MacLeod therewith,

Salvage of the Otter—Sum of \$8,000 Goes to Officers and Crew of Canadian Trooper.

for services rendered and damages sustained by the Canadian Trooper in towing the steamship Otter, when disabled 800 miles to Halifax last October. The Trooper went to the aid of the Otter in response to a wireless call. For ten days the Trooper through stormy weather towed the disabled steamer until Halifax was reached. Of the total amount the sum of \$17,000 is awarded the C. G. M. M., and the balance to the officers and crew of the Trooper.

Use the Want Ad. Way C. P. Ry.

BEST RACE OF DAY. The Halifax Chronicle says of the logan-Penny race in the recent rowing

contests there:

"The first race of the day, a single shell contest for boys of 16, proved to be the best event on the programme. It was not for championship honors but was included as a feature. William Logan, of St. John, and Frank Penny, of Halifax raced a thrilling three quarters of a mile, in which the St. John boy ultimately proved the victor by the very small margin of half a length. For young fellows the competitors proved to have plenty of grit and endurance and they furnished more excitement than all the other races together."
