TURF.  
Cincinnati, June 18.—(Associated Press)—While Latonia opened wide its gates to the lovers of horse racing on June 5, yet the Latonia Derby, to be run here on Saturday, June 30, is the outstanding race of the meeting, and admitted by all to be only second to the Kentucky Derby in point of interest. In fact many horsemen pronounce the Latonia classic as the "real test of stamina and speed combined, for the race is a quarter of a mile longer than the Kentucky Derby.  
The race is a mile and a half, and will draw the very cream of the three-year-olds of the west and probably a considerable number of eastern horses. New stands have been added and the track can now accommodate 1,200 horses comfortably.

The stage play that became an opera—the opera that made a wonderful book is now a marvelous motion picture.

Here are situations that live with the tensely and daring of their action. Here strong men vie for the one woman's love. Here is the life of the '40s, with his curse, his drink, his fight, his unforgettable sacrifice.  
Edwin Carewe, who made "Mighty Lak a Rose" has imbued this picture with the feeling and realism that only he can master.

**Gibbons Not Floored In His Ring Career**  
Ten Years a Pugilist and Never Yet Knocked Down—Now to Face Dempsey.

St. Paul, June 18.—(Associated Press)—When Tommy Gibbons of St. Paul enters the ring on July 4, to meet Jack Dempsey in a fifteen round decision contest, he will carry with him a rare boast for a fighter of his experience—he has never been knocked off his feet.

In ten years of his professional career, the St. Paul challenger has successfully withstood all efforts to knock him out, or even down, while he in turn has counted thirty knockouts in his last thirty-four bouts.

It was back in 1913 that Tommy counted his first knockout, flooring Johnny Shaw in the third round.

For several years, Gibbons was merely a successful boxer, and it was not until 1921 that he began to show a punch that sent opponent after opponent down for the count. It was the start of his successful march toward a championship bout.

Gibbons won twenty straight contests via the knockout route, then was out-pointed by Harry Greb in a fifteen-round bout in New York, in March.

1922, which went to Greb on the referee's decision and with it the lightweight title Gibbons was striving for.

In the list of knockouts that preceded the Greb affair, there were such names as Al Reich, Tony Melcher, Clay Turner, Jack Herman, Willie Meahan, and others who lasted less than one round. Paul Sampson, Jack Clifford, and others succumbed to his driving punch in a few rounds.

Since the Greb bout, Gibbons has come along again with more knockouts, and decision victories. In his last encounter he met Chuck Wiggins, no mean portion in the light-heavy division, and Gibbons floored him six times before the referee stopped it in the tenth round.

Financial reward, at least immediate, had little to do with Gibbons' eagerness in signing with Dempsey. The title bout has been his ambition for three years, and before he comes into the money, the paid attendance will have to climb beyond the \$300,000 mark. For his end, Dempsey is assured of \$300,000, regardless of the attendance.

**Royals and Clippers East End Tuesday**  
The Royals, leaders of the South End League, and the Clippers, leaders of the City Amateur League, will play an exhibition game on the East End diamond tomorrow evening. James McAllister will officiate as umpire. This game is attracting considerable attention and should prove a good drawing card. It is hoped that a large number of spectators will be present.
