BASEBALL

Eight Inning Tie.
The league game between the St. Peter's and St. John's last evening was called in the eighth inning on account of darkness with the score standing 6-6. It was one of the most sensational games played this season and the result was in doubt until the last man was out. Both teams drove the ball to all corners of the field and this sensational hitting coupled with snappy and occasionally a loose play kept the fans keyed up to a high degree of excitement. The big feature was a home run with one on base, by "Scotty" Stirling. He poked the ball well over centre field fence near the score board for one of the longest hits yet made on the grounds. The score:

Enters Channel Swim.

Boston, July 18—Charles Toth, a Boston swimmer, who sailed for England recently to begin final preparations for an attempt to negotiate the English Channel, will have a rival in Sam Richards, another Bostonian and a clubmate at the L Street baths. Richards plans to sail on the Wilfredian, and the two noted Boston swimmers will make their attempts at the dangerous crossing before the end of August.

Only two men have ever negotiated the channel—Captain Matthew Webb and William T. Burgess, both being Englishmen. Richards was born in Bir-

ingham, England, but came to the United States when nine years of age, and is an American citizen.

RING.

Kid Lewis' Success.

London, July 18—(Associated Press by Mail)—Kid Lewis, the welter, a middle-weight champion of Great Britain, must have learned much during his long stay in the United States, despite his reverse his last year there, for he has won all sorts of champions since returning home. His latest achievement was knocking out Frank Burns, middle-weight champion of Australia, making Lewis the title-holder of the empire in that division.

Up until the eleventh and last round of the bout Burns outpointed Lewis, in the opinion of several boxing experts, but in that period the Kid made a clever feint and then crossed a smashing right to the jaw that landed the Australian on his back. Lewis was criticized for holding part of the way. Burns lost the championship, for which he had come all the way from Australia, but he took home a gold medal for rescuing a drowning man. One night at his training camp Burns jumped out of bed and into the Thames in the dark after the unfortunate man, an succeeded in bringing him ashore.

In Willard Camp.

Los Angeles, July 18—Soldier Burke, a heavy-weight boxer, will join the Jess Willard training camp as one of Willard's sparring partners. Willard is training for a possible return match with Jack Dempsey, heavy-weight champion.

Ruffing Re Dempsey.

Boston, July 18—The State Boxing Commission yesterday announced that Jack Dempsey would not be permitted to fight in Massachusetts until a challenger for the title appears to measure up better than any mentioned to date.

Roxbury Boy Wins.

Boston, July 18—Eddie Shevlin of Roxbury defeated Jack Perry of Pitts-

Willis Scores K. O.

Winnipeg, July 18—Harry Willis, negro heavy-weight, and challenger for Jack Dempsey's heavy-weight crown, knocked out Jack Clark, negro of Joplin, Mo., in the third round of a scheduled ten round bout here last night. Outweighing his opponent by forty pounds and with the advantage of length and reach, Willis made a punching bag of Clark, who laid a glove on the contender for heavy-weight honors only once during the three rounds. Willis immediately pressed with his speed, science and hitting powers. He knocked Clark down once in the first round and three times in the third before the referee made the count. More than 5,000 gave Willis a big reception but the bout was not much better than an exhibition, Clark being ready for the "haymaker" in the third.

The Best Swimmers.

Los Angeles, July 18—Duke Kahane-moku, Hawaiian swimmer, announced here that he is through with competitive swimming. "For that matter," he continued, "I have been through with it for a year. All talk about meeting fourteen Johnny Weissmuller and myself to settle the matter of supremacy is foolish. He is the greatest swimmer the world has ever seen."

Oscar Henning, the Duke's manager, added: "The Duke himself has timed Weissmuller in 23-1-5 seconds for the 100 yards in practice at Honolulu and knows just what he can do. The Duke will always be able to do what he is doing now—swim 50 or 100 yards faster than anybody except a few of the best swimmers in the world."

Canadian Henley.

St. Catharines, Ont., July 18—The Canadian Henley will be held on Friday and Saturday next week, and big preparations are being made by the management of the aquatic club to look after the visitors.

Hilton Belyea, singles champion of Canada, will be here to defend his title, and Bob Dibble, previous champion, is

coming over, it is said, determined to win back his lost honors.

All the familiar crews—Argonauts, Dons, Ottawas, Detroit, Buffalo, Montreal, etc.—will again be seen on the Henley course, it is expected.

TURF.

Grace Direct Defeated.

The defeat of Grace Direct by John Henry was the feature of the opening day of the grand circuit meet at Kalamazoo, yesterday. The event was the 2,050 pace and the best time was 2:03 1/2. The 2,16 trot went to Jack H., two out of three heats, best time 2:07 1/2. The 2,27 trot went to Lee Worth in straight heats, best time 2:08 1/2.

BENEFIT GAME

DESERVES SUPPORT

Tonight the St. Peter's and St. John's will stage the benefit game to aid Hilton Belyea defend his sculling title. Hilton expects to leave for the course on Thursday. That will give him about a week's choice of our trips to St. John. In view of what the famous sculler has done to place St. John on the sporting map throughout the length and breadth of Canada and the United States, a large turnout to tonight's game is expected. Either Davis or King will receive the assignment for St. Peter's, while the choice of St. John's is still unknown. These teams have been putting up some stiff arguments lately, and in addition to having the satisfaction of knowing that they helped Hilton, the fans going to tonight's game can be assured of a snappy contest.

CRIPPLE BECOMES ATHLETE.

Remarkable Career of Brutus K. Hamilton, Missouri University Star.

Brutus K. Hamilton, who recently finished one of the most creditable athletic careers in college history by graduating from the University of Missouri, was given up as hopelessly crippled when he was a boy of ten. He now holds the American decathlon and pentathlon championships, but when he was a boy at Harrisonville, Mo., little hope was held out for his physical recovery. The family physician told Hamilton's parents that the youngster was suffering from a disease of the hip, and his left leg was no more than an inch shorter than the right.

Despite all this Hamilton was finally cured and was able to walk again. Then perseverance and will power gained many honors on track and field. Entering the University of Missouri, the high school star attracted the eye of Coach Bob Simpson, one of the greatest hurdlers of his day.

Simpson continued the development of Hamilton as an all-around athlete. Hamilton finished high in pole vaulting, broad and high jumping, shot putting, discus and javelin throwing, sprinting and hurdling. He won two national championships, was captain of the football team last year and took part in the Olympic games in 1920. He was graduated with next to the highest honors in scholastic work.

FILM MOB SCENE.

London, July 18—(By Mail)—Nelson on top of his column in Trafalgar Square was far from lonesome in the early hours of morning a few days ago. About 1,500 people, at 83 per person, turned his dignified abode into a film studio, and, under the direction of Mr. Maurice Torneur, an enterprising Franco-American, they enacted mob scenes for a film version of Sir Hall Caine's story, "The Christian."

The crowd gathered about 1 a. m., and for four hours, in rain that started with a drizzle and finished a driving storm, they were marshalled about by the 100 producers' assistants while the camera men were busy.

Great searchlights had been fixed on buildings all round the square, official policemen kept order, and at the sound of a klaxon the extraordinary scenes began.

The director with a huge megaphone shouted his instructions. He wanted "pep," "vim," "hustle," and he had it. Men and women, mostly in East-end "get-up," made a riotous confusion.

When the "hero," Richard Dix, had clambered on to the plinth, had been mobbed and photographed, the crowd disappeared along the Thames Embankment.

Terribly Bad

Anyone suffering from bowel complaints such as diarrhoea, dysentery, colic, cholera, cholera morbus, cholera infantum or any other diseases of the bowels, will find that Dr. Fowler's Extract of Wild Strawberry will give quicker and more permanent relief than any other remedy on the market today.

Mrs. Roy Keith, Charlton, Ont., writes: "I am writing to tell you what Dr. Fowler's Extract of Wild Strawberry did for me. Last summer my children had diarrhoea, terribly bad, and they would vomit and pass a great deal of blood. I tried every remedy we could think of, but finally bought a bottle of Dr. Fowler's Extract of Wild Strawberry, and about one-half of it stopped the diarrhoea altogether. I have told several others about it, and I would not be without it in the house, as I can truthfully say it saved the lives of my two children."
