

THE EVENING TIMES AND STAR, ST. JOHN, N. B., FRIDAY, APRIL 15, 1921

RECENT DEATHS

The death took place in Boston, recently, of Mrs. Catherine Dacey, a daughter of the late Mr. and Mrs. Jeremiah Collins, well known residents of St. John West, in their day. With her sister, Mrs. Mary Egan, who died about a year ago, she had been living in Boston for many years. She is survived by one daughter and two grandchildren.

The death took place suddenly last evening at his parents' home, Erin street, of William H. McCann, second son of Mr. and Mrs. William J. McCann, in the twelfth year of his age. Besides his parents he leaves to mourn three younger brothers. The funeral will take place this afternoon at 4 o'clock from his parents' residence.

The death of Simon L. Patterson of New Glasgow, occurred at his home there on Wednesday evening, April 13. Mr. Patterson is survived by his mother, Mrs. Hannah Patterson, one sister, Catherine, and two brothers, Albert, at home, and Frederick, of Moncton. Mrs. S. S. Springer, of 195-Main street, is an aunt, and W. H. White, of Douglas avenue is an uncle of the deceased. It is expected that the funeral will be held from Chamberlain's undertaking rooms here on Saturday morning at ten o'clock.

CHILDREN'S AID WORK FOR MONTH

The monthly meeting of the Children's Aid Society was held last night with the president, A. M. Belding, in the chair. Routine business was transacted and a committee, consisting of the president with David Hipwell and the secretary, was appointed to consult with Mr. Gould as to the best means of improving the grounds. According to the monthly report of the agent, Rev. George Scott, one little girl had been taken out of the home since the last meeting to a prospective foster home. One baby was taken out by its mother, who had recovered after a long sickness, and two little ones had to be placed in the General Public Hospital. Four children were admitted, but applications were received for the admission of twenty-two more. Most of these, however, were refused because they did not belong to the municipality of St. John. Efforts will be made to have most of these returned to the municipalities to which they are properly chargeable. One boy was sent to the Boys' Industrial Home under indeterminate sentence, while another was admitted to the institution at Silver Falls. There are now twenty-one little ones in the Children's Aid Home in Garden street.

TRAIN CREW RESCUES CHILD.

Seeing Ontario Home Afire, They Stop Engine and Also Save Mother.

Cochran, Ont., April 15. — Seeing a farm house on fire and a child's face at a window, Engineer John Nelson and his fireman on a transcontinental railway train left their engine near here to rescue the youngster, who jumped from the second story into their arms.
The men then rigged scaffolding with fence rails and, scaling the side of the house, rescued the boy's mother, who was ill in bed.

DOGS CAUSE WAR ON RATS.

Barking Keeps Mt. Vernon Awake, So Health Officials Act.

Mount Vernon, N. Y., April 15.—The health authorities of Mount Vernon have declared war on rats at the city dump. Dogs turned loose on the dump were so far outnumbered by the rats that many returned home with their noses bleeding from bites inflicted by the rats.
Residents of Sixth street have complained that the rats keep them awake nights, drawing half the dogs in town to the dump, where the dogs keep up a continual barking. So today Dr. T. Harold Tallman, health officer, and Dr. Gustave Horstmann, bacteriologist, had a large quantity of strychnine sprinkled over the rubbish. The operation will be repeated until the nuisance is abated.
"Train not thy child so that at the age of 30 or 40 he shall have to say, 'This great work could I have done but for the lack of a body,'" N. B. Health Week April 24-30.

HARRY LAUDER'S BROTHER-IN-LAW IS MANAGER

Moncton Times: James Cumberland, M. E., has been appointed general manager of the Maritime Coal, Railway & Power Co., Ltd. Mr. Cumberland is a Scotch mining engineer who has had a wide experience in Scotland and in Chile.
When Mr. Cumberland was working

as a young man in one of the mines in Scotland, one of his chums who worked with him in the mine was Harry Lauder.

The manager of the mine was James Vallance. Afterwards Mr. Cumberland and Harry Lauder each married a daughter of Mr. Vallance.
Norman T. Avar, who for several years has been chief accountant of the company, has been promoted to the position of assistant manager with control of the sales and purchasing department.

IS 107 YEARS OLD.

Moncton Times—One hundred and seven years ago on April 6, there was born in or near Amherst, one Henry Jones. Today Mr. Jones is still living, and up until two weeks ago, was apparently as hale and hearty as a man of 60.

A brother, Charles Jones, predeceased him last year at the age of 108. It is earnestly hoped that Mr. Jones will soon recover from his present indisposition and be able to resume his occasional visitations to Amherst.

A hero is a man who can listen to an after-dinner speech without looking bored.

A Rousing Sale of Remnants for Saturday
