What Causes Wrinkles? What's The Remedy?

Stop to consider what produces wrinkles and sagging of skin. Premature aging, mal-nutrition, etc., cause the flesh to shrink, lose its youthful plumpness and firmness. The skin then is too large for the face underneath. The skin is lax and saggy as it is used to it wrinkles, and wrinkles make it fit the face perfectly. In every place, will effectively remove the harmful wrinkles and bagginess. This is easily and harmlessly accomplished by dissolving an ounce of powdered magnesia in a half pint of witch hazel and using the solution as a face wash. The ingredients you can get at any drug store. The results are surprising. The skin is immediately tightened up, becoming firm and fresh as in youth. Every wrinkle and sag are affected at once.
