HOW CANADA SHOULD GREET THE VICTORY

Assemble Church Choirs
When News Comes and
Sing Praises to God

Flu Still Raging

Ottawa, Nov. 7.—The following statement was issued by the militia department tonight—
"In view of a possibility of an armistice or cessation of hostilities the director of chaplain service in Canada, after consultation with, and with entire approval of representative heads of the various churches, Protestant and Roman Catholic, respectfully requests that such steps be immediately taken as will give to any spontaneous outburst of rejoicing, a religious character.
The following suggestions have met with the approval of the representative clergy—
That, through the public press and otherwise clergy be requested to ask the members of their churches to assemble at some appointed place or places in the open as soon as the good news is made public and lead the gathering multitudes in songs in praise to God.
The following selections of psalms and hymns, will, among others, readily suggest themselves:
"Praise God from Whom all Blessings Flow."
"Te Deum."
"All People that on Earth do Dwell."
"Oh God our Help in Ages Past."
"God Save the King."
The spontaneous praise is not intended in any way to detract from the regular and orderly services that might subsequently be held in celebration of the great event. The above request is issued with the approval and concurrence of the honorable the minister of militia and defence.

GET RID OF HUMORS AND AVOID DISEASE

Humors in the blood cause internal derangements that affect the whole system, as well as pimples, boils and other eruptions. They affect all the organs and functions, men and women, and are directly responsible for the weakness with which some people contract disease.

For forty years Hood's Sarsaparilla has been more successful than any other medicine in expelling humors and removing their inward and outward effects. It is distinguished for its thoroughness in purifying the blood, which no other medicine acts like it, for no other medicine is like it.

Get Hood's Sarsaparilla today. Insist on having Hood's.

ADVISE MUNITION WORKERS TO GET BACK TO OLD JOBS

With Peace so Close at Hand, Great Many Plants Likely to be Closed Down

Ottawa, Nov. 8.—With peace so close at hand and the prospects of an early closing of a great many munition factories in Canada, the imperial munitions board is advising all its employees who have chances now to drop back into permanent positions, to take advantage of them without delay. Sign cards have been posted up in many of the departments of the I. M. B., and before long the employees of all branches will receive this advice. The object is to get rid of those holding war-time positions on the I. M. B. by degrees.

MOOSE ON MARSH ROAD.
While George Parlee and a party of friends were driving out the Marsh road last night they were surprised to see a large bull moose stalk out on the road a short distance in front of them and then scamper off towards Fernhill cemetery. The animal must have been attracted by the celebration in the city and was bent on investigating when the automobile scared him away.

Plant Closed for Men to Rejoice Over False News and Fire Broke Out

Marblehead, Mass., Nov. 7.—Plant No. 2 of the Burgess Aeroplane Company, which was filled with government airplanes, and the Stevens & McKay Company storehouse, containing more than forty yachts were totally destroyed by fire here tonight. The plant had been shut down in order to permit the workmen to celebrate upon receipt of false reports of the signing of an armistice by Germany, and before the watchmen could reach the scene the flames had gained great headway.

The loss is estimated at \$300,000. It was thought the fire, which started in the paint shop of the Burgess Company, was caused by spontaneous combustion.
