A MARVELLOUS REMEDY

FOR A MARVELLOUS AGE!

Holloway's Ointment.

THE

GRAND EXTERNAL REMEDY

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to and organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS

No remedy has ever done so much for the cure of diseases of the skin, whether from they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well applied in order the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:

|-------------|-----------------------------|
| Bad Legs | Chiefo-foot |

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the Weak, the Nervous, the Delicate, and the Invalid, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to these organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY, ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons in delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it. Holloway's Pills are the best remedy known in the world for the following diseases:

- | | |
|----------------------------|-------------------------------|
| Ague | Jaundice |
| Asthma | Liver Complaints |
| Bilious Complaints | Lumbago |
| Bleaches on the skin | Rheumatism |

AYER'S PILLS.

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

There has long existed a public demand for an effective purgative pill which could be relied on as safe and prompt in its operation. This has been answered to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a purgative pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is so unpalatable and so disagreeable to the stomach, that it is often refused, or so much grippings pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arises from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaints, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Lassitude, Irritability, Bilious Headache, Bileous Fever, Fever and Ague, Pain in the Side and Loins, for, in truth, all those ailments the consequence of diseased action in the liver. As an aperient, they afford prompt and sure relief in Constipation, Piles, Colic, Dysentery, Hemorrhoids, Scrofula and Scurvy, Colds with soreness of the body, Coughs and Impurities of the blood; in short, any and every case where a purgative is required. They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Puffiness of the Face, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousands of cases in which a purgative is required cannot be enumerated here, but they suggest themselves to the reason of every body, and it is commonly believed that this pill will answer a better purpose than any thing which has hitherto been available to mankind. Let their virtues be once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.
