At Montreal little has been doing; occasions. their separate specialities, and have sent over man, the writer being unable to attend in conto America a real Lonon circus, and one of sequence of illness. The roll of delegates hav. the fluest and most select collection of trained ing been called, and other preliminary work wild beasts ever organized. This rare com-bination is now making a tour of the Domin-Cathedral in the afternoon. A ballot took 3) in, exhibiting at Ingersoll on Monday next, place with the following result. Clerical slst inst., and remain but one day. It is unverse—Dean Hellmuth, London, 53 votes; der the management of the proprietors of Van Rev. Mr Marsh, London, 27 votes; Rev. Mr Amburgh's Great Gelden Menagerie-which Boomer, Galt, 3 votes, and Rev. Mr Sullivan, created such a furore here during the summer 1 vote. Lay vote-Dean Hellmuth, 78 votes; of '69 - Howes Circis and Menagerie must Rev. Mr Marsh, 45 votes; Rev. Mr Boomer, 5 not be confounded with the "European Cir- votes, and the Rev. Mr Farquhar, Zorra, 4 cus" - so called - whoh was in Canada last votes. The Dean was consequently elected to year, or with any other establishment which has ever been here, at this is its first visituone of the performer or animals having been een on this continent before. Full particulars will be found in a didvertising columns, so that all may learn the treat that is in store for them.

a very attractive number—full of the good, clothing off at first cost and giving up the dry fresh stories that people like to have for sum- goods business. It is a rare chance, and peofresh stories that people like to have for summer reading, and bright with illustrations of all kinds. The stee plate, "The Carrier Dore," seems to represent a fair Parisian lady the besieged city receiving a message. There is the usual Colored Fashion Plate, and aumerous wood cuts of ladies' dress and fancywork. The music is the "Bridal Galop." An illustrated story by Daisy Ventaor leads of the literary department, and there is another by Madge Carroll. Annie L. Muzzey begins a fine serial, "Jealousy." Amanda M. Douglas continues he excellent story, "A Little Money," Elestor C. Donnelly has a pretty poem; and will a variety of other interesting stories and seems make up a delightful number. The edergal dipartment of this magazine is to some enders their favorite portion. Price \$2.50 a car (which also includes a large steel engravey). Hour copies \$6. Five copies (and one engaving). Hour copies \$6. Five copies (and one engaving). St. "The Lady's Friend" another is an only stopped, but that already begoined is being carried away.

Setters, Five copies (and one engaving). St. Published by Deacon & Petersa, Philiadelphia. Single copies for sale at Wodook's, price 25 cents.

13 Coffins, fashinably mounted, at low rates. Learness furiased at kicIntyre's. 80 to for his completion. From the easy expectoration in a black calf. The product of the copies for sale at Wodook's, price 25 cents.

#### CHEESE MARKET.

Ingersoll, July 27, 1871. A little more activity has been displayed here during the past week in the cheese market, and we have to report the sale of 5000 boxes at 8@9c.. and one small lot was sold as high as 916. These are the very outpresent state of the English and New York markets. Those who have stocks should be very careful about holding when these prices can be realized. The market has had a down-Some inferior lots of cheese have been sold as low as 5@8c., but these prices are no criterion to go by. The average price for a good, merchantable article, for export, has been 81@91c.

Our last cable is 52s. 6d., a still further duly acknowledge. With the exception of has reached the present figure. We hope it PERFECTED SPECTACLES, numerous typographical errors, the general has touched the lowest point, but, so long as the present state of things exist, buyers here
