

MESSRS. JAMES CAMPBELL & SON

Would call attention to the following

LIST OF NEW TEXT BOOKS AND NEW EDITIONS:

HISTORY OF CANADA; for the use of Schools. By J. FRITH JEFFERS, B. A.
Campbell's Canadian Series of School Books.

"Its aim is to trace the development of the Canadian Constitution through its several well-defined stages, down to the present time; and to repeat in a concise and consecutive narrative the principal and more interesting events of Canadian History. No better or more comprehensive History of our country could be written, or arranged for the purpose for which it is designed; nor could it be done with better grace, nor more free from partiality. The book is well worthy of a place in the library of every Canadian, as well as in the hands of every student of history."
