ASSASSIN'S TRIAL COMMENCED TO-DAY

BUFFALO COURT ROOM GUARDED BY POLICE

Czolgosz Pleaded Guilty, but Plea of Not Guilty Was Entered on His Behalf.

Buffalo, Sept. 23.-The trial of Leon Czolgosz, for the murder of President cKinley began at 10 o'clock this mornng. Promptly at 10 o'clock Justice White took his piace on the bench, and urt convened. The clerk began calling led. Very few of what is termed "the eneral public" were spectators at the pening of the case to-day.

Czolgosz, with his counsel, occupied eats directly in front of the judge's nch. The prisoner's chair rested just k of that of Judge Titus, and there m any untoward action on his part. Deputy sheriffs, with their mahogany taves of office, were placed at vari its in the room, and quiet was enced on all.

Spectators' seats were filled very slowowing to the extreme care shown by ers in the corridors about admitting hose who applied, and it was not until urt" was announced that the last one

District Attorney Penney read the arge against Czolgosz at 10.30 and sked the prisoner how be pleaded.
"Guilty," responded Czolgosz, in a low ne. Judge Lewis arose, and addressing

ourt, stated that according to law this plea could not be accepted, and on behalf of the prisoner asked that a plea f not guilty be entered. The trial then At the conclusion of the morning ses

on eight jurors had been secured, and ere was every indication that in spite nd 2 to 4), as decided upon by the court fense, the entire list of jurymen would

will give addresses at the Saanich fair on Saturday, and, according to Mr. Rud-lick, will also give speeches on the same bject at the Victoria exhibition if desired. Mr. Ruddick reports that requests ing to Tacc from the people wishing to enter classes 100 tons de are being received in large numbers. He expects a class in Victoria of about 12 sons, while at Comox he anticipates an exceptionally large number of entries.

Comox, as has been mentioned, will be the next point after Victoria at which a stop will be made. A public meeting be held there the first day. New

Westminster will be the next place, and here also a public meeting will be held at which speeches will be delivered on dairy matters. Enderby will be the last point, and classes of instruction will be held there from October 28th until November 2nd.

Mr. Ruddick, in conversation this morning, stated that he wished it explained that the giving of dairying instruction was not at all antagonistic to truction was not at all antagonistic the creameries. Some had an idea that the giving of instruction on dairying was a move against the creameries. This was not so; in fact it was exactly the creameries of the c e opposite. In instructing people how separate the cream from the milk Hongkong, Sept. 20 .- Viceroy Tao Mu. of ready to send to the creameries the the provinces of Kwang Tung and Kwang reameries were being helped. The con-

tinuation of the course from the separating to the actual making of the butter, he said, could not be termed as a move against the creameries. Mr. Ruddick tion of power by the anti-foreign Conserva says that he is much in favor of the shment of creameries at all connient points in the province, and he self was in charge of a party intersted in these matters who made a tour of the province and established creamer- Prickles, of Springfield, King's county, The province and established creamers as at several points a short time ago.

dead and injured are on the way to this through a human surf; and if it were not for the fears of your trumbling companion, you would be interested in space of wide common and firs, overlooking the matchless prospect of sea and mountain which is such a distinguishing characteristic of this lovely passengers the following bishops: J. W. Alstork, Montgomery, Ala: E. Cottrell, Holly Springs, Miss.; C. R. Harris, Salls-barry, N. C.; J. B. Small, York, Pa.; G. W. Clinton, Charlotte, N. C.; A. Walters, Jersey City,

Dearry's Discoveries.

"Victoria, Victoria."

To-night there has been a band comcert to the fears of your trumbling to the fears of your trumbling companion, you would be interested in through a human surf; and if it were not fear of the fears of your trumbling to fear the fear of the fears of your trumbling to fear the fear of the fears of your trumbling to fear the fear of the fe wonder? I must enquire. I arrived at last, without the assistance of any touts, at a nice, quiet hotel, where you Queen"; and thinking of the loyalty touts, at a nice, quiet hotel, where you could shake salt out of the salt-castor without slamming it on the table or getting the top off. Ex pede Herculem. From the salt cellar you can judge the house. I was content. I began to be sensible of the good old English style of the place. Wandering out into the street after dinner numerous jack-tars were in evidence; man-o'-war's men from the ships in the Esquimalt harbor, three miles off. Jolly, clean, healthy fellows they are, swinging down the street with a rolling gait, their wide trousers sitting with a nautical natti-

they are on it again in the end they are always triumphant.
Also they have a penchant for five-cent beer, a harmless and exhilarating drink, dent.

REVELSTOKE.

At Revelstoke, on Saturday, Lynn Gordon, of Kamloops, and Miss Anna E. Williams, youngest daughter of John Williams, of Kincardine, Ont., were united in marriage at the Methodist church by Rev. Mr. Smith.

KAMLOOPS.

Thos. Hallam, an inmate of the Provincial Home since August last, died on Sunday afternoon, aged 70 years. Deceased was a native of England, and

SHUSWAP.

The coroner's inquest into the death of Albert Bradley, at Shuswap, as far as it went, elicited the facts that death probably occurred on Monday night, and was due either to exposure or poison. The exact cause of death will not be known until Dr. Fagan's report on the analysis of the stomach is received from Victoria
