The trial of Wheeler, Annie Kempton's murderer, begins at Kentville June 2.d. A good many people have gone away from the city to spend the Queen's birthday with their friends in the country and will return on Tuesday. The Anchor line steamer Belgravia went the island and will probably prove a total they couldn't win [-pplause.] IN PARLIAMENT THAN EVER BEFORE. The Liberal party had at its back only the growlers of the country, and they couldn't win [-pplause.]

WHARVES AT BLACK BROOK
THE QUESTION, WHAT HAS ROBINSON DONE?

AND BARTIBOGUE!
THE question asked in the Robinson asked Robinson asked in the Robinson asked Robinson asked

issued at commuted rates on and after June

1st. Five-trip and ten-trip excursion tickets done ?" He would reply. Had he not done all that was possible ? No repre-sentative had ever tried more faithfully was deal laden. There was an unfounded rumor about the city Saturday that her sentative had ever tried more faithfully was deal laden. There was an unfounded rumor about the city Saturday that her sentative had ever tried more faithfully the tried sound, similiar to that obtained by sentative had ever tried more faithfully the test of the function to the test of test o to serve his constituents. When his what he had done? he full that have to be had caused to be placed in the suptively to all points down river and return at one rate on any excursion day. Just think It WIII be a Signal plementary estimates a subsidy for twenty miles of railway from Newcastle down the north side of the river to Burnt the north side of the seven miles of railway from the Intercolonial towards meeting held for a ware hand time in the seven the s

ing the current. The bell from the magnet-springs ignal position, when the ed, and the rapid vibration es the pleasing humming familiar sound so irritating ple.	LEAVE CHATHAM. (Solar Time) 9 a. m. 11 '* 2 p. m. 4,15 '* 7,00 '*	LEAVE ## (Solar time, 10,15 12,15 3,15 5.15 7,45	le time) a. m.
