Sold by Messrs. Allison & Thomas.

Vacant lot at the southeast corner of Princess and Canterbury streets, size, about 40x100. This property formerly belonged to Messrs. George A. Horton and J. G. Willett, and has been sold by Messrs. Allison & Thomas to upper Canadian parties. It is a splendid site for an office building, being right in the centre of the financial and office district and is almost across the street from the rear entrance of the new post office. There is no doubt that within a comparatively short time this will be a very valuable property for building on, the number of vacant lots in this section of the city being so limited.

FARM SETTLEMENT BOARD WILL MAKE TOUR OF PROVINCE

First Meeting of Newly Created Body Last Evening — Organization Effected for Aggressive Work.

The first meeting of the farm settlement board of the province of New Brunswick appointed under the act passed at the last session of the legislature, was held in the government rooms, Church street last evening. Most of the time was occupied with discussing the methods of carrying on the work for which the board was appointed. In addition to the members of the board Thos. W. Butler, of Milltown Charlotte county; Wilmot Hay, of Woodstock, and Jas. Gilchrist, there were present Premier Flemming, A. B. Wilmot, Dominion immigration agent for New Brunswick and Percy Thomson, of the Norton Griffiths Company. Thos. Butler was elected chairman of the board; Mr. Gilchrist, provincial superintendent of immigration is secretary by virtue of the act creating the board.

The board decided to pay a visit to a number of sections of the province where land is available for farm settlement purposes, and to meet again in St. John on September 3rd.

Mr. Thomson on behalf of Norton Griffiths spoke of the intentions of his company in regard to bringing out settlers from England, and made a proposition in regard to taking up some of the ready-made farms which will be established in the near future. He stated that next spring it was hoped to send quite a number of Englishmen to this country.

Mr. Wilmot, the Dominion immigration agent, will visit the various parts of the province with Mr. Thomson for the purpose of securing information in regard to lands which may be made available for settlers which will be brought out by the Norton Griffiths Company.

EXCURSION RATES ON ALL LINES FOR THE EXHIBITION

The I. C. R. passenger department has given the exhibition the advantage of a series of excursion rates and some special excursion trains which should be productive of immense crowds from all the important sections served by that line. A specially low fare will be issued on August 31st and September 2nd, 4th and 6th from the stations bounded by Norton and Amherst inclusive. The return rates on these tickets will be September 2nd, 3rd, 5th and 7th respectively. The extra low excursion rate for the same places will obtain on special trains leaving September 3rd and 5th and returning the same day. In most cases the fare on these specials will be less than half the usual excursion rate.

On the Point du Chene branch, cheap fares on regular trains will be issued September 2nd, 4th and 6th, returnable the 4th, 6th and 7th. The extra cheap fares on the same branch will be effective September 3rd and 5th returnable the days following.

From Berry's Mills to Campbellton, the low fares on regular trains will be issued September 2nd, 5th and 6th, returnable the 5th, 7th and 9th, and the extra low fares on the 3rd and 4th, returnable the 5th and 6th.

The I. C. R. will also issue low fares from Upper Nelson to Fredericton on the branch lines on September 2nd, 5th and 6th, returnable the 5th, 7th and 9th, and will allow an even lower rate on the 2nd, also the 3rd and 4th, returnable the 5th and 6th.

The C. P. R. passenger department has arranged to issue single fare round trip tickets to St. John in the Megantic division on August 30th to September 6th inclusive as follows:

Fredericton Junction locality—From points Fairville to Fredericton Junction and Fredericton Junction to Fredericton. Tickets on sale September 3rd, good to return the 5th and on the 5th, good to return the 7th.

In the Houlton-Vanceboro district, including St. Andrews, St. Stephen, Woodstock, etc., tickets will be issued Tuesday, September 3rd, good to return the 5th and on the 5th good to return the 7th.

In the Brownville locality, tickets will be on sale September 3rd and 4th good to return the 7th. In the Aroostook-Tobique district tickets on sale the 2nd, good to return the 6th and on sale the 4th good to return the 9th.

On the Shore Line branch tickets will be on sale the 3rd good to return the 6th and on sale again the 5th good to return the 9th.

The Eastern S. S. Co., have arranged for a special excursion rate from Boston; the D. A. R. are arranging big bargain prices for the St. John exhibition, as is also the P. E. I. railway. The St. John river boats and smaller lines of travel have notified their willingness to cut their rates as well.

MARITIME BOARD OF TRADE MAY DISBAND

Truro Convention Today will Discuss Question of Organizing Provincial Boards to Take its Place.

The annual meeting of the Maritime Board of Trade will open in Truro today. Among the important subjects which will come up for discussion is the question of the future of the Maritime board. It is said that since the St. John Board of Trade withdrew from the Maritime board there has not been a great deal of harmony or energy manifest in the work of the organization, and there is a feeling more particularly manifest in Nova Scotia that the organization should be disbanded, and that each province should organize a board of its own.

It is felt that much more effective work could be done with provincial boards, as they would be in a better position to deal with sectional matters than the Maritime board is. It is said that the idea of forming provincial boards has been canvassed among the delegates to the Truro convention and that it meets with considerable favor.

While each provincial board as proposed would deal with purely provincial matters, it is said that there would be a sort of federation of the boards of the three provinces which would be composed of selected delegates meeting occasionally to deal with matters affecting the general interests of the Maritime Provinces, and it is claimed that this federation could deal with such matters more effectively than the existing organization since it would not be so unwieldy and could act with greater dispatch.

REFINERY MAN DID NOT OFFER ANY INFORMATION

F. H. Anson, Interested in Proposed Sugar Refinery, Met Mayor Frink but Had Nothing New to Say.

F. H. Anson, general manager of the Ogilvie Milling Company, who with Lorne McGibbon and others, have it is said, taken over Mr. Durant's interests in the sugar refinery proposition here, was in the city yesterday. He met the mayor casually at the Royal Hotel, and told his worship that he was interested in the question of establishing a refinery here, and hoped to see the project materialize. But he did not make any definite proposition in regard to the question of securing a site for the refinery, or give much information respecting the present status of the affairs of the Atlantic Sugar Refinery Company. Mr. Anson left last evening for Montreal.

The city authorities have not yet received any word from the federal government in regard to the action it proposes to take about the request of the company for an extension of time to build the refinery.

Another Factory for Fairville.

F. R. Dearborn has purchased from the city a large block situated in Fairville, fronting on Beach street, the entire length of the block, about 450 feet, and running back to the C P. R. tracks 75 feet. It is splendidly situated for manufacturing purposes and a distributing warehouse. Mr. Dearborn intends in the near future to erect a factory and will have associated with him one of the largest manufacturers of grocers' specialties in the United States, who has been looking for some time for a suitable location to establish a Canadian branch. It is the intention to erect a four story reinforced concrete building and have a railroad track running through the entire length.

PLAYGROUND CLOSING PROVED INTERESTING

Five Hundred Children Participated in the Exercises in Centennial Playground Yesterday Afternoon.

There was a very large attendance at the closing exercises of the Centennial playgrounds yesterday afternoon. There were about 500 children present and about 300 adults, and the programme arranged was very successfully carried out.

There were seated on the platform Mrs. Edward Sears, Miss Grace Leavitt, Mrs. John K. Schofield, Mrs. George Hegan and A. M. Belding.

After Miss Peters, the president of the association, made a short address Commissioner Miles E. Agar was called on, and was greeted with loud cheering. He made a brief and appropriate address.

Miss Bertie Turner, the teacher of the basket work, presented to view a large number of the baskets which have been made by the children, and many of these baskets were sold.

The feature of the programme was the different drills and exercises which were gone through by the children, also a number of songs which were sung. A most interesting sight was a flag drill by twenty girls. They were excellently drilled by Miss Maxwell and performed the different movements to piano accompaniment by Mrs. D. P. Chisholm.

During the afternoon Miss Maxwell, the supervisor of the playgrounds, submitted the following report:

To the Playground Association:

I submit herewith the following report for the months of July and August of the present year. Though the weather has not been very suitable yet it has not interfered seriously with our play or work. The children might have been seen at any time swinging or playing croquet in the rain, while others, in the building, worked on their baskets or employed themselves with such work as weaving mats, sewing cards, stringing beads, straws and circles, crocheting slippers and jackets and making quilts.

The basket weaving taught by Miss Bertie Turner, has been marked by the most gratifying success. About fifty of the larger boys and girls have shown their skill and interest in the work by weaving 97 reed baskets and 36 raffia baskets beside 14 hats, 11 napkin rings, six coat hangers and four fancy work bags. All children making a basket for themselves make one or more for the playground; these are sold on the closing day. A prize was offered by the instructor this year to the girl making the prettiest best worked raffia basket. This prize was won by Rosie Wiezel. Another prize offered for the boy making the greatest number of reed baskets was won by Carl Bassan. This work, we believe, is productive, not only of manual skill, but of co-operation and mutual helpfulness.

A new feature of the playgrounds this year was the forming of an indoor baseball league, under the direction of Fred Manning. A number of teams were organized and a prize offered by the association to the team making the highest score, was won by the Stars. A prize offered by Mr. Manning to the best player in the league, was won by Abban Breen. A splendid work has been done by Mr. Manning among our large boys not only with the baseball and basketball but other gymnastic work. The boys were also very kindly offered the use of the Y. M. C. A. swimming pool on Friday mornings.

The average attendance has been 416. The greatest number present any one day being 596. The behavior among this large number has been uniformly good and we feel that the children have not merely learned to do many useful things, but have also received impressions of lasting benefit to character.

Through the generosity of Mr. Spencer we enjoyed an afternoon at the Unique and Lyric theatres, where Mr. Hurley kindly arranged programmes for our especial entertainment. On Wednesday next this pleasure is to be repeated.

In conclusion, I wish to acknowledge the efficient aid and constant co-operation of my fellow workers, Miss Bertie Turner, Mrs. Chisholm and Fred Manning, and express our thanks for all gifts and donations made to the playgrounds through us.

Respectfully submitted,
JANET MAXWELL,
Supervisor.

OBITUARY

Mrs. Ethel Coughlan.

The death of Mrs. Ethel Coughlan widow of the late Daniel Coughlan, occurred last evening at the residence of her daughter Mrs. T. M. O'Neil, 25 Douglas avenue. Mrs. Coughlan had been in poor health for some time. She was a woman of kindly and retiring disposition, and her death will be deeply mourned by her friends She was the daughter of Alexander Mott, of Annapolis Royal. Her husband, Daniel Coughlan, died about four years ago, since which time she has resided with her daughter. Beside her daughter Mrs. T. M. O'Neil, she leaves three sons, Daniel, Frederick and Leo, all of this city. The funeral will take place from her late residence on Thursday at 8.45 o'clock to St. Peter's church. Requiem high mass will be held at 9 o'clock.

PREMIER FLEMMING GOING TO THE COAST

He Starts on Monday as New Brunswick's Representative to Conservation Commission in Victoria.

Premier Flemming, who accompanied the Royal party on the trip up the river yesterday, was in the city last night, stopping at the Victoria. He will leave on a trip to the West next Monday and expects to be away for about a month.

"It was reported in one of the papers that while in the West you would attend the Conservative convention," said the reporter.

"I noticed the report," said the Premier. "Evidently what was meant was that I would attend the convention of the Conservation Commission. It will be held in Victoria in September and I expect to be there."

"When are you going to move to Woodstock?"

"That's more than I can tell you now," said the Premier. "Some of the newspapers may know more about it than I do."

"Do you intend to move?"

"I have been considering the matter. It would be much more convenient for me to live in Woodstock, as I would not have to make the long drives I do now."

"Can't you divert the Valley Railway to Hartland?"

"I'm afraid I haven't enough influence."

At this point another individual sauntered into the government rooms and asked: "When are you going to move Mr. Flemming?"

"Right away. Watch me move," said the Premier as he started for the door.

CITY COUNCIL IN WEEKLY SESSION

The city council held its weekly meeting yesterday at noon, with Com. Wigmore in the chair.

A vote of $500 was allowed to Com. McLellan to defray the expenses of an investigation into the police department.

Consideration of the early closing petition was postponed until the next meeting, in consequence of the absence of the mayor.

On recommendation of the commissioner of harbors, ferries and public lands, renewal leases of city properties were issued to Mary Elliott and G. W. Williams and Louise Green.

John F. Gleason's offer to purchase lots in Brooks ward was not accepted.

Charles E. Colwell was granted permission to erect a bridge and runway from Nelson wharf to the front of his property.

The sale of certain city property by auction was reported and approved and it was decided to issue titles to the purchasers. F. R. Dearborn and W. J. Mahoney.

A petition from Carleton ratepayers asking the opening up of a portion of Lancaster street, Carleton, between Winslow and Watson streets, was, on motion of Com. Agar, referred to the board of works. Mr. Agar said he was in full sympathy with the project, but doubted if it could be dealt with this year.

NEW G. T. P. DOCK AT VANCOUVER, B. C.

The new Grand Trunk Pacific Dock at Vancouver, B. C., which will be replete with every modern appliance for the rapid handling of freight and the disembarking and embarking of passengers, with every degree of comfort, will be occupied by the company during this week.

An agreement has been made between the Grand Trunk Pacific Railway and the Dominion Government for the construction of a floating dry dock at Prince Rupert, B. C., to cost approximately $2,200,000, and instructions have been given to proceed with the work.

The construction of this large dry dock is in charge of the Grand Trunk Pacific engineer, Wm. T. Donnelly who has drawn the plans and specifications, and who will be in charge of the construction of the dry dock.

The News in Short Meter

LOCAL.

Property Sold.

Allison and Thomas have sold the vacant lot at the southeastern corner of Princess and Canterbury streets to Upper Canadian parties. The lot has a frontage of 40 feet on Princess St. and 100 on Canterbury. It was formerly owned by George A. Horton and J. G. Willett and is an admirable site for an office building.

Believes in St. John.

L. Scheff, a London journalist, who is touring Canada as the special commissioner of a number of English papers, is in the city and will tour through Canada writing articles for the papers he represents. Mr. Scheff is much impressed with the eastern provinces and holds the opinion that they will bear an even greater part in the affairs of Canada than in the past. He does not think that the West will ever dominate the East. The manufactures will always remain in the East and this will lead to even greater prosperity than in the past. In this connection he believes St. John will have a great future.

Civic Pay Day.

Cashier Willet paid the sum of $5,958.51 in wages to civic employees yesterday for the half month ending August 15th.

Police Court.

In court yesterday morning Wallace Stillwell, a civic constable, was fined $24 for creating a disturbance in the Lyric Theatre and also resisting arrest. John Watson, charged with drunkenness and disorderly conduct in the Union Depot, also with resisting arrest, was fined in the aggregate $24. A lad named McNally, charged with assaulting his stepmother, was sent into jail. Four drunks were fined the usual amounts.

PROVINCIAL.

Buys Farm in Sackville.

Sackville, N. B., Aug. 19.—Henry Towne, well known in St. John, where he taught for many years, has purchased Albert Fawcett's farm in Upper Sackville, and will reside there in the future. Mr. Towne is Mr. Fawcett's son-in-law.

GENERAL.

Montenegro Wants War.

Cettinije, Montenegro, Aug. 20.—A mass meeting of Montenegrins was held here on Monday to protest against the atrocities committed by the Turks in the Albanian district of Berana, on the Montenegrin frontier, where a number of Christians have been massacred by Mohammedan arnauts. A resolution was passed calling upon the Montenegrin government to declare war against Turkey.

The war fever is rapidly growing in intensity throughout the whole country.

Engagement Announced.

Richibucto, Aug. 19.—Rev. Thomas Pierce and Mrs. Pierce wish to announce the engagement of their daughter, Miss Hattie Duncan Pierce, to Fred C. Squires, B. A., of Bath, Carleton Co., New Brunswick, the marriage to take place in September.
