Mr. James Reynolds read the directors' report. It quoted the amendment made to the Relief and Aid Society act by the local government at the recent session, giv-ing authority to grant relief to the Indiantown fire sufferers to the extent of \$5,000. This amendment was presented for action by the board. The directors suggested that the application forms, inquiries and dis-tribution of funds for the Indiantown fire be as nearly as possible on the lines followed in the distribution to the sufferers by the fire of 1877.

The city council adjointed until a report reaches it from the board of trade.

For the past twelve years the interest and premiums on bonds have enabled the society to carry on its work and still retain bonds and money having a par value of \$31,970.07.

The total expenditures of the past year were \$4,678.63; 385 grants were made for amounts which aggregate \$3,943.80. Expenses of all kinds, including rent, clerk, printing, etc., amounted to \$734.83. The society assisted the burial of eight annuitants during the year. The total expenditures of the year were \$434.10 less than those of the preceding year.

Mr. George Robertson, the treasurer's report showed in accordance with the figures in the directors' report. Debentures were sold, realizing \$2,415.34. The investments held by the society have been reduced to \$31,500. The auditors—Messrs-H. Adam Glasgow and R. O'Brien, reported the accounts correct.

On motion of General Warner it was passed that the feeling of the meeting was that the expenditure of the amount for relief of Indignatown fire sufferers be as
