FOR INFLAMMATION OF THE EYES.

Among the many good qualities which Paralee's Vegetable Pills possess, besides regulating the digestive organs, is their efficacy in reducing inflammation of the eyes. It has called forth many letters of recommendation from those who were afflicted with this complaint and found a cure in the pills. They affect the nerve and the blood in a surprisingly active way, and the result is almost immediately seen.

Only those who have experience can tell the torture corns cause. Pain with your boots on, pain with them off—pain night and day; but relief is sure to those who use Hollaway's Corn Cure.

Appin

Appin, August 31.—Appin ball team defeated Melbourne at Wardsville last Friday by a score of 8-5. Melbourne claim they did not have their team there. It is too bad—but anything for an excuse. Appin plays Melbourne here on Thursday evening. Game to be called about 5 o'clock.

Sleep is the great nourisher of infants, and without peace of sleep the child will not thrive. This cannot be got if the infant be troubled with worms. Miller's Worm Powders will destroy worms and drive them from the system, and afterwards the child's rest will be undisturbed. The powders cannot injure the most delicate baby, and there is nothing so effective for restoring the health of a worm-worm infant.

The lucky contestant will be rewarded with 3 pounds of homemade candy. A paper was given by Mrs. J. R. Campbell, "What Makes a Successful Institute," after which lunch was served by the hostess.

Your Asthma, too. The efficacy of Dr. J. D. Kellogg's Asthma Remedy is not something that is merely to be hoped for; it is to be expected. It never fails to bring relief, and in your own individual case it will do the same. So universal has been the success of this far-famed cure that every one afflicted with this disease owes it to himself to try it.
