Jack Daniel's Tennessee Whiskey is represented in Canada by FBM Distillery Ltd., Brampton, Ontario

THERE'S SOMETHING SPECIAL about the Tennessee hills as a place for making Jack Daniel's.

You see, we make an old-fashioned whiskey that can't be hurried in any manner. And out here, where the pace of city living is all but forgotten, a man can slow down and do things right. We could probably make a bit more Jack Daniel's if we made it in a factory. (Make it faster, probably, too.) But after a sip we think you'll agree: there's something special about whiskey that comes from the hills.

See the World and Make a Difference

Share the possibility of a career with few boundaries with the department of External Affairs and International Trade. To ensure that all candidates have every chance on an equal basis, we encourage equitable participation by women, aboriginal peoples, members of visible minority groups and persons with disabilities.

Prior to the administration of this year's exams, foreign service officers from External Affairs and International Trade will visit your campus to introduce the Canadian foreign service as a career opportunity. The growing complexity of international relations means we are looking for people from **all academic disciplines**.

For more information, contact your Campus Placement Office.
