date 1912, but the demand for the publication has been so great that our supply was exhausted several months ago. We are preparing a new edition, which will be ready in the early part of next January. We venture to say that no public document ever issued by the State of New Jersey has met such a wide range of wants and been in such general demand as this book.

5. The collection of pamphlets which we are sending, will answer this question. The investigations of which they are the product, were made under direction of the chief official of this Bureau and his principal assistant.

Trusting that the foregoing may meet your wishes, we are,

Very truly yours,

Bureau of Industrial Statistics,

*George C. Low*

Director.
