

230636/1

Ottawa, July 18, 1910.

Madam,

Referring to the quarterly and other returns received from the Congo Bridge Indian School I beg to say that the Department would esteem it a favour if you would in future forward these, as well as requisitions for school material, etc., through the office of the Indian Agent, in order that his certificate may be obtained. This is the custom in connection with returns from all Indian schools and it is desirable that it should be followed in the case of your school.

Your obedient servant.

Secretary.
