EX'D.

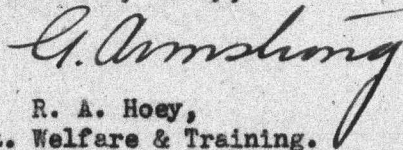

Reverend Sir:

On April 18 Miss Moodie wrote you regarding supplying 12 dozen baskets as per sample sent to Ottawa by you on March 11. On inquiry I find you have not replied to this letter, and we have no way of knowing whether the order will be filled or not.

Please let me know immediately whether we can expect 12 dozen baskets made in accordance with the specifications outlined in Miss Moodie's letter of April 18, to be delivered in Ottawa not later than the first week in June.

K.M.
As this order is for a very good customer, we would prefer to tell him they cannot be secured, rather than give him anything not exactly as ordered. Therefore, it should be understood that if the baskets are not as good as the sample submitted they will be returned.

Yours very truly,

R. A. Hoey,
Supt. Welfare & Training.Reverend E. Chiasson,
