

Proposal for coordination of food needs
of wheat recipients

C 203018

It is better to keep in mind, as far as
has concerned their requirements, it will
make it a little easier for us
to make ^{fasting} a statement of
what has been said

It is ^{not} a record in the matter
of loans of wheat by the

with our thoughts and some
at the moment, the
words are concerned. If records
are to be related to countries
or is possible to say or names
before, then I am unclear
happy that it has been found
to be the
to be the
to obtain a record about
statements & the credit of
Canada.
