| March 30, Downing Street. | Unsigned to Gosford. The steps he has taken in sending to the Assembly correct extracts from instructions are approved of. The errors in the extracts sent by Sir Francis Bond Head arose from the work of a copyist sending extracts from an unrevised document.                                 | 359      |
| April 7, Downing Street.  | Unsigned to the same. There are no funds at the disposal of His Majesty's government from which a pension could be granted to W. Smith. Advises that the subject should be laid before and recommended to the House of Assembly.  | 349      |
| April 12, Downing Street. | Unsigned to Gosford. Has transmitted to the Admiralty the addresses for copies of the Surveys of the St. Lawrence.  | 466      |
| April 23, Downing Street. | Unsigned to the same. Sends copy of letter from the Admiralty that a copy of the chart of the St. Lawrence from Three Rivers to Montreal shall be furnished to the House of Assembly as soon as it is engraved.   | 467      |
| May 26, Downing Street.   | Unsigned to the same. The title of Roman Catholic Bishops in Lower Canada cannot be officially recognised.  | 330      |
