

*CORRECTION.*

In Bulletin 184, p. 6, a sample of Ginger (No. 31480), sold by W. S. Brown, Charlottetown, P. E. I., and found to be adulterated, was stated by the vendor to have been furnished him by W. H. Schwartz & Sons, Halifax. The following statement, by the vendor, is now published, in justice to the firm named :—

CHARLOTTETOWN, P. E. I.,

11 November, 1909.

MESSRS. W. H. SCHWARTZ & SONS,

Halifax, N. S.

DEAR SIRS :—This is to certify that after thoroughly considering the matter as to whose Ginger I gave to Mr. Theo. Moore, the Inspector in Charlottetown, I am unable to prove that it was yours, having bought ginger from a wholesaler in Charlottetown on the 20th March, 1909.

Yours truly,

(Signed,) WALTER S. BROWN.
