

WHEN

- a reference work earns its cost in two hours
- a clergyman calls it "a boon to poor ministers"
- a college instructor recommends it to his classes.
- a clever woman considers it "a 'PRIZE' to business women"
- it contains more articles than an encyclopaedia seven times its size
- it costs one-thirteenth as much as such an encyclopaedia

is it not time for you to order a set?

EVERYMAN ENCYCLOPAEDIA

is making friends by the thousands. Its "cosy" size commends it to everyone—from the physician who likes things in tabloid to the society woman who likes books that will fit on her writing desk; from the college girl who must count every inch of space in her study, to the newspaper man who has only a small corner for his ready reference books.

**When you add its
surprisingly small price**

\$3.60 In Cloth Binding **\$6.50** In Cloth reinforced

\$7.20 In Red Leather **\$7.20** Quarter Pigskin

**to its "cosy" size,
it is easy to see why**
