MARKET REVIEW AND FORECAST

Toronto, Monday, Feb. 8, 1902. — The outlook in general trade is brighter and many jobbers report increasing or for spring delivery. In some lines the demand is so large that factories cannot supply it without enlarging their plants. In clothing and hardware good business is reported. Remittances are gradually improving and the swerger situation. Alkie is quoted a little higher situation. In clothing and hardware good business is reported. Remittances are gradually improving, and the general situation is healthier than it has been for some time. Money keeps in good demand. A great deal of money is being put for eal estate on 5½ to 6 per cent, Mortgages, call loans, rule at about 4 per cent, and discounts at about 6 to 7 per cent, on commercial name. mercial paper.

mercial paper.

The stronger feeling in wheat reported last week has been accentuated. The English week has been accentuated that the strong was a strong. What the future will be a strong. UNION STOCK YARDS HORSE EXCHANGE

There was a better feeling in the ho There was a better feeling in the horse trade during the week, especially towards the end of the week, especially towards the end of the week. See the week was the end of the week was to the Horse Each at Wednesday's and the Horse were of the Horse week decidedly better feeling of the horse soulh have been displayed. We horse soulh have been sould have been stiff to \$150, seenal purpose, \$140 to \$150, seenal purpose, \$140 to \$150, drivers, \$75 to \$150; and serviceably sound horses of all classes at \$40 to \$50 each. Higher prices were paid for one or two choice ones in each class. We general run of the sales were as above two the account of the sales were as above two the sales were as the sales were the sales were sales as the sales were sales as the sales were sales were sales as the sales were sales

LIVE STOCK

Cattle markets have ruled active all week, especially for good quality, which is not plentiful enough to supply the demand. There is an increase in the number of light common to medium cattle of and the control of th

port bulls sold at \$4 to \$4.50 a cert. Prime butchers' cattle are very scarce. Out of the 2000 cattle on the city market on Wedneeday and Thursday, not more than 40 were of this class. These sold at \$4.50 to \$5.25 a cets, one load weigh-ing 11.55 lbs. each bringing the latter fig-

Circulation Amongst the Right People

Messrs. Farm & Dairy, Toronto. Gentlemen:-

We are pleased to say that we have used Farm and Dairy as an advertising medium with very good results. We shall continue to use it as we think it has a good circulation amongst the right people.

We wish you every success under the new title.

Yours very truly,
William Cooper & Nephews,
W. Staley Spark, Mgr.

ure. Loads of good butchers' cattle soil at \$4.50 to \$4.80; medium, \$4 to \$4.40; common, \$5.50 to \$3.50; cows, \$3 to \$4.50, with some extra ones selling at \$4.40. Canners and common cows, \$1.50 to \$2.60 a

There has been a fair trade in feede and stockers with a slightly easier feeling at the end of the week, and prices ling at the end of the week, and prices of the stockers, 700 to \$4.57 to \$4.57; best stockers, 700 to \$4.57 to \$4.57; best stockers, 700 to \$4.570; and medium stockers, 600 to \$00 lbs. each, at \$3.0 to \$4.570; and medium stockers, 600 to \$000 lbs. each, at \$3 to \$1.50 m, and the stockers of the stocker

trade in milen cows and springers has ruled fair, though quotations are a lit-tle lower than earlier in the week. Prices on Thursday ranged from \$30 to \$60 each, on Thursday ranged from \$30 to \$60 each, with few good enough to bring the latter figure. The average rice was from \$48 to \$50 each. Common cows sold at \$30 to \$35 each. Common cows sold at \$30 to \$35 each. Grand the market ruled firm at \$5 to \$6.50 at the market ruled firm at \$5 to \$6.50 at cow. for the general run, with choice quality selling as high at \$7 a cw.

quanty setting as night at \$7 a out.

Owing to light receiples, trade in sheep
and lambs ruled firm. Export ewes sold
at \$4 to \$4.25; yearling ewees \$8.50;
rans at \$3 to \$3.50, and lambs \$5.50

MONTREAL HOG MARKET

MONTREAL HOG MARKET
Montreal, Saturday, February 6.—Prices
on live hogs scored another advance at
the beginning of the week,
sing to the
continued good demand from yackers and
dealers. Prices ruled from grackers
and the offerings which were rather that
this week, were quickly picked up at this
range. Receipts towards the end of the
week were picked up at about the ,same
prices.

The market for dressed hogs is very firm The market for dressed logs is very firm in sympathy with the recent advance in the first cost, and prices are ranging from \$10 to \$10.90 a cwrt, for fresh killed abst-tion stock. There is a quantity of Mani-tor stock. There is a quantity of Mani-ton stock of the stock of the stock of \$2.75, while atock offering at \$9.50 to \$2.75, while \$2.50 to \$3.50 a cwt.

EXPORT BUTTER AND CHEESE

EXPORT BUTTER AND CHEESE Montreal, Saturday, Feb. 6th.— The demand for cheese this week has continued very dull. See that the content of the account English house awaiting shipping instructions. It is difficult to estimate the quantity in ster. but based upon the receipts of choses in but based upon the cheese in the country to be chosen in the total who will be country to be shipped eventually to Great output of the shipped eventually to Great Piriain. Most estimates published so far put the quantity at considerably less than put the quantity at considerably less than the country to be shipped eventually to Great the country to be shipped eventually to Great the country to be shipped before the opening of navigation here next spring.

Quotations are unchanged and range up

on mavigation nere next spring.

Quotations are unchanged and range up to 12% a lb. for finest Septembers and in hand a buyer could pick up a respectable quantity at about 12% to 12% to 12% to 12% and consend a slight premium over white cheese.

The feature of the trade is the drop in prices in butter. This article has met with a poor demands the past few weeks, and the market have been deadly easy tendency. Holdens and to-dely easy tendency. Holdens and to-dely easy tendency. Holdens and to-dely easy tendency hostile effort to maintain prices as long as possible, but this week and to-dely easy generally reduced, and to-dely easy tendency for the price of the dely dely easy tendency for butter of the price of the dely dely easy tendency the second demand from the state of the second demand from the second demand demand from the second demand The feature of the trade is the
