PARS FOR THE MILLION!

Foo Choo's Balsam of Shark's Oil
Positively Restores the Hearing, and is the Only
Absolute Oure for Dearness Known.

This Oil is abstracted from peculiar species
of small Whitz Shark, caught in the Yellow Sea, known as Charchardon RondeLeth. Every Chinese fisherman knows it.
Its virtues as a restorative of hearing were
discovered by a Buddhist Priest about the
year 1410. Its cures were so numerous, and
many so seemingly miraculous, that the
remedy was officially proclaimed over the
ontire Empire. Its use becames ouniversal
that for over 300 years no Deafness has existed among the Chinese people. Sent, charges
prepaid, to any address at \$1.00 per bottle.

Hear What, the Deaf Say!

Hear What the Deaf Say!

Hear What the Deaf Say!
It has performed a miracle in my case.
I have no unearfuly noises in my head
and hear much better.
I have been greatly benefitted.
My deafness helped a great deal—think another bottle will cure me.

"Its virtues are unquestionable and its curative character absolute, as the writer can
personally testify, both from experience and
observation. Write at once to HATLOCK &
JENNEY, 7 Dey Street, New York, enclosing
§1.00, and you will receive in return a remedy
that will enable you to hear like anybody
else, and whose curative effects will be permanent. You will never regret doing so."—
