We take the following from Correspondence We take the following from Correspondence of the Morning Chronicle:—It is our painful task to record to-day another of those dire calamities, that have visited our thriving village within the year. In the short space of about three hours and a half, Canning, one of the most flourishing and promising villages in Nova Scotia flourishing and promising villages in Nova Scotia has been laid in ashes. The whole business partion of the village is a mass of smoking ruins. The fire originated in the store formerly oc-cupied by Edward Harris, Esq., (now of your city), and extended East and West; until the whole of the village was destroyed; even the dwelling houses on the opposite side, and some quite at a distance from the flames, could not duite at a distance from the names, could not be spared, and upwards of 40 houses were burnt, and hundreds are left houseless to-night. Men that considered themselves in comfortable circular field that considered themselves in comfortable circular field that the considered themselves in comfortable circular field that the considered that the co

the Fourth of July a boy threw a lighted fireulted in an easy victory for Kelly.

London, July 5.—The Prussian and Italian shop and other wooden buildings near by in their destroying folds. Soon the large sugar house of J. B. Brown & Sons, was in flames, involving a loss of \$1,000,000. Next followed two large founderies. From this point the fisming billows, an area one-third of a mile wide and more than mile long. Two hundred acres, comprising in Paris, in celebration of American Independent of the principal business boses in the comprising in Paris, in celebration of American Independent s principal business houses in the city, were dence. laid waste. No conflagration that has ever taken nitude. All the newspapers, all the wholesale boot and shoe, all the jewellers' stores, were destroyed, and all the wholesale dry goods houses save one, were burned. Ail the banks, seven in number, and seven hotels, were destroyed. Eight churches were burned. The Chestnut Methodist Episcopal Church was saved by its iron window caught fire in the dome. The Custom House vas saved in a damaged condition. No less than three thousand families were made homeless. The citizens whose homes were preserved cared for the sufferers to the extent of their means. The insurance men estimated the loss at \$15,-000,000; perhaps half of it is covered by insur-

"The new temperance movement in this city, though far from what we would like to have it is structing the confidence of all Christian people." The people of though far from what we would like to have it, drinking saloons will find their way to our churches. I learned last week of two young men from New England, who had been at work 11 New York for several years, without having been iuside of a church. The Sabbath evening previous they had heard their first sermon, and they were both powerfully convicted of sin. One of them has since been converted, and the other will doubtless soon find the heart-rest he seeks. NEW YORK, July 13 -Roberts, the Fenian Head Centre, has been indicted for a breach of the neutrality laws. The Maine Episcopal Convention has elected the Rev. T. D. Huntington, of Boston Bishop.
Three cases of cholera were reported in New York

priving three hundred persons of employment.
In the United States Senate yesterday, the Tariff Bill was reported from the House, and after considerable debate, was referred to the Finance Committee, with instructions to report

PROVINCE OF NOVA SCOTIA. PROCLAMATION.

BY HIS EXCELLENCY SIR WILLIAM FENWICK

Majesty's Army, Knight Commander of lows the Most Honourable Order of the Bath; Grand Officer Legion d'honneur; 1st s] Class of the Turkish Order of Medijee &c., &c.; Lieutenant Governor and Commander-in-Chief, in and over Her Majesty's Province of Nova Scotis and its Dependencies. &c., & .

W. F. WILLIAMS. the United States to pursue the Deep Sea Fisheries during the year 1866, on the coasts and in Halifax to St John, the bays within the jurisdiction of Nova Scotia, in common with the subjects of Her Majesty. I do hereby proclaim and make known, that during the said period licenses will be issued to citizens of the United States to pursue the Deep Sea Fishery on the coasts and in the bays Robinson's Corn Selvent of Nova Scotia and, in common with the subjects of Her Majesty, to land upon the coast of Nova Scotia for the purpose of drying nets and curing fish, subject to the following conditions

namely:
The Fisheries and limits so made common shall be the same as were enjoyed by United States fishermen under the treaty of Washington, 5th June, 1854; British fishermen shall not be interfered with in the peaceable use of any part of the waters or coasts for the purposes of catching or curing fish, or hauling and drying nets;
Rights of private property shall not be inter-

The fishery laws, municipal regulations, and harbor rules of Nova Scotia shall be complied Payment of the sum of fifty cents as a ton-

nage fee on each license.
Licenses will be issued by the Collectors of the following ports:

BY HIS EXCELLENCY'S COMMAND, JAS. H. THORNE, Deputy Secretary.

NOTICE is hereby given to the Merchants of Halifax, that about the 1st of September next, a line of Steam Propellors will be put on between Halifax and Portland, running in connection with the Grand Trunk Railway to and from Montreal, Quebec, Toronto and all places in Canada and the Western States. Preight will be carried on through bills of lading and at through rates of freight, between Halifax and all Stations on the line of the Grand Trunk Railway.

The rates will include every charge, except sea insurance, between the place of shipment and Halifax. B. Wier, Esq., has been appointed agent for the Company in Halifax and for Nova Scotia, who will be able during the summer to afford full particulars in regard to the arrangements now announced. C. J. BRYDGES, Managing Director.
