

It's "Move On."

The City councils passed a law,
You must move on, you must move on.
The Policemen won't stand any jaw,
Make you move on, make you move on.

If o'er you comes stealing
That very tired feeling,
There's no use appealing,
You must move on, you must move on.

At J. D. MILLER'S store
Things must move on, things must move on,
Bargains there all galore,
That must move on, that must move on.

If you are very wise,
You will him surely patronize.
He's progressive and he tries
To make things move on, make things move on.

Big Profits — ON — Small Investments

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful Speculation in Grain, Provisions and Stock.

\$10.00 FOR EACH DOLLAR INVESTED can be made by our Systematic Plan of Speculation,

originated by us. All successful speculators operate on a regular system.

It is a well known fact that there are thousands of men in all parts of the United States who by a systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money making pointers. ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our standing and success.
