### Four Aspirants For Wardenship of Bruce

There are four members of Bruce County Council who will not refuse the wardenship of Bruce County for 1921 at an emolument of \$1,000 if they are successful in running the gauntlet of a municipal election. Reeve Grant of Tara has the best claim on the position from length of service, but he has had so many close shaves in elections that getting elected is his first difficulty to be overcome. His opponent of last year John Hamilton, has again announced his candidature, so Joseph has first to be endorsed by his ratepayers before the wardenship appears in the offing. The other three aspirants for the position are Scott, Reeve of Kincardine Twp. for three years, Rowand who has been Reeve of Brant for 4 years, and Johnson of Lucknow. If Rowand gets to be municipal head of this County it will be on his merits, not because he button-holed his colleagues for he isn't much

good at that business. We wouldn't be surprised to see the final vote between Grant and Rowand, providing the former is fortunate enough to win out again—Cle Elv Enterprise

### Deputy Reeve Acquitted

The trial of Deputy Reeve Hugh McLean of Collingwood Township, which has aroused a great deal of interest throughout G. E. County, was brought to a close on Friday at the General Sessions of the Peace in Owen Sound, when the jury brought in a verdict of not guilty on three counts. The first was a charge of arson, the second one of defrauding the Farmers Mutual Fire Insurance Co. of the insurance on the house, and the third that of defrauding the same Company of the insurance on the contents. The verdict was that of not guilty on all the counts. Mr. McLean has the reputation throughout the township of Collingwood, of which he is the deputy-reeve, of being an honest and straight forward

young man, and after the evidence was all in there was little doubt in the minds of those who had listened to the whole case as to his innocence and the verdict was no surprise.

Farmers are usually found to be an honest class of people, but a black sheep is sometimes found among them. A few days ago a farmer from the vicinity of Hepworth sold potatoes to different people in town. These potatoes were not good ones, some had been frozen and most of them had been affected with dry rot and to cap all it seems that the bags were all short weight. There is a saying that the worm will turn and in

his case the buyers got busy and with the aid of Constable Speare the man who sold the potatoes refunded the money and took the potatoes away—and he was lucky to get off that easy.—Southampton Beacon.

### Threw Boiling Water on Sister

The aged postmistress at Dunblane and her brother have of late been lying in a most deplorable condition. Last summer, we understand, some relative lady from the States came over and wanted to take Mrs. McNeil back to live with her, but could not induce her to leave the "old house" at the corner. Mrs. McNeil was later taken to the hospital in Walkerton, but when her brother received some injury of which she heard, she returned to take care of him. But both were then past the time when they should be assuming care of any kind, and it should have been better had the old lady remained in Walkerton, as the following from the Port Elgin Times shows:

On a charge laid by Reeve Geo. Jamieson of Saugeen, of pouring boiled water on his aged widowed sister, Mrs. Isabel McNeill, and otherwise ill-treating and abusing her, Archibald Brown, of Dunblane, was arraigned before Magistrate Jas. Chapman of Port Elgin on Tuesday morning and committed to the Walkerton goal until such time as his case can be dealt with by the Judge.

On Sunday afternoon last neighbors were attracted to the Brown home by cries for help, when it was found that Brown, who is somewhat mentally deranged, had poured a pot of boiling water over his sister in one of his fits of heated passion.

Mrs. McNeill, who is 88 years of age, has been living with her brother, who has passed his 70th milestone, since the death of her husband a number of years ago and during that time neighbors have repeatedly had to interfere with the maltreating that she was subjected to at

## Women of Canada Testify

Dance, Ont.—"I am more than pleased with Dr. Pierce's Favorite Prescription."

I was run-down and so nervous that I could not even stay in the house alone in the day-time and tried every kind of medicine I heard of but got no result. One of my friends advised me to take "Favorite Prescription" and that it would cure me, and it did. After taking four bottles I felt like a new woman and it is also the very best medicine for a woman bringing up a family. I will recommend "Favorite Prescription" to any one suffering like I did.—MRS. JOSEPH BEAUDRY, R. R. 2.

## WEAK AND NERVOUS

Tillsonburg, Ont.—"I found Dr. Pierce's Favorite Prescription an excellent medicine for the ailments of women. I had become very weak and nervous. I was just miserable when I began taking the 'Favorite Prescription' and it proved most beneficial. It so completely restored me to health that I have never had any return of this ailment. I do advise the use of 'Favorite Prescription' by women who suffer with womanly troubles."—MRS. GEO. WALKER, P. O. Box 490.

Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine were injurious, and so he has always kept them out of his remedies. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it, in liquid or tablet form.
